

THE CHARACTER OF TREES

Like people, each tree has a different character. Nature molds the tree with differences in color and grain, differences that create the beauty and interest found in fine woods. These differences in character make each piece of furniture unique. We hope you appreciate and enjoy the beauty and character of your purchase.

UPHOLSTERY CARE AND CLEANING

Avoid exposing your furniture to strong sunlight. Prolonged exposure to direct sunlight can fade the finish of your furniture.

To clean spots and stains, please follow instructions per the fabric cleaning code. An annual professional cleaning is recommended to keep your upholstery looking its best.
