¹Samsung Vision AI features vary by model; see individual model for more info.
²Utilizes AI-Based formulas to upscale to 4K resolution. Resulting picture may vary based on source content.
³4K 144Hz is only available with PC connected games that support such specifications (PC graphic card required). Performance may vary.
⁴Utilizes AI-Based formulas.
⁵Samsung Account required for network-based smart services, including streaming apps and other smart features. Computer, mobile or other device may be necessary to create/login in to Samsung Account (free to download and create). Without Account login, only external device connections (e.g., via HDMI) and terrestrial/over-the-air TV (only for TVs with tuners) available. Channels may vary by location and are subject to change. UI is subject to change without prior notice.
⁶Q-Symphony requires a compatible 2020-2025 Samsung TV. Please refer to samsung.com for more information.
⁷Works with antenna broadcast only. Available languages vary and may require download. Translation accuracy not guaranteed.
⁸Click to Search Who's On feature only works with terrestrial, cable TV and Samsung TV Plus. Click to Search Watch Next feature utilizes AI based algorithms.
⁹Fees apply to subscription service. Art pieces in the Art Store are subject to change without prior notice.
¹⁰Samsung Account required for network-based smart services, including streaming apps and other smart features. Separate [connected] computer, mobile or other device may be necessary to create/login into Samsung Account (free to download and create). Without Account login, only external device connections (e.g., via HDMI) and terrestrial/over-the-air TV (only for TVs with tuners) available.
¹¹One UI Tizen OS updates are available for up to 7 years from the product release year starting in 2023. Availability, features, contents, apps and services are subject to change without notice and may vary by product and model. OS updates does not cover hardware-related performance, features or durability.
¹²SmartThings require compatible devices only. SmartThings app download may be required.
¹³Subscriptions may be required for some services. Smart Trainer support devices may vary by country.
¹⁴High speed internet connection, additional gaming service subscriptions and compatible controller required.
¹⁵Super Ultrawide Game View is supported for PC games only. This feature is only available for ultra wide supported games. Some game titles may not support this function or may be limited to use this feature. Screen resolution change from external device may be required.
