

NO MORE DISPOSER ODORS

With Bio Shield® we dispose of garbage AND bacteria-caused odors. Bio Shield is a unique antimicrobial agent permanently molded into the disposer components. Bio Shield effectively eliminates bacteria-caused odors and inhibits the growth of a wide range of micro organisms. Bio Shield is an exclusive with our disposers and is a feature your customers will be asking for.

Below is a partial list of micro organisms Bio Shield inhibits.

Gram Positive Bacteria

Bacillus cereus
Bacillus mycoides
Bacillus subtilis
Brevibacterium ammoniagenes
Brevibacterium epidermidis
Corynebacterium pseudodiphtheriticum
Enterococcus faecalis
Listeria monocytogenes
Listeria welshimeri
Nocardia asteroides
Staphylococcus aureus (& MRSA)
Staphylococcus epidermidis
Streptococcus pyogenes
Streptovorticillium reticulum

Gram Negative Bacteria

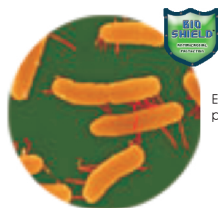

Acinetobacter calcoaceticus
Enterobacter aerogenes
Enterobacter cloacae
Escherichia coli (& O157:H7)
Klebsiella pneumoniae
Morganella morganii
Proteus mirabilis
Proteus vulgaris
Pseudomonas aeruginosa
Salmonella choleraesuis
Shigella sonnei

Fungi

Alternaria alternata
Aspergillus flavus
Aspergillus fumigatus
Aspergillus niger
Aspergillus repens
Aureobasidium pullulans
Candida albicans
Chaetomium globosum
Cladosporidium herbarium
Curvularia genticulata
Epidermophyton floccosum
Fusarium oxysporum
Gloeophyllum trabeum
Lentinus lepideus
Mucor racemosus
Paecilomyces variotii
Penicillium funiculosum
Penicillium variabile
Rhizopus spp.
Schizophyllum commune
Serpula lacrymans
Stachybotrys chartarum
Trichoderma viride
Trichophyton mentagrophytes
Trichophyton rubrum

Escherichiacoli

Salmonella

Examples of germs protected by Bio Shield

NOTE: Bio Shield products are only intended to confer antimicrobial protection to treated articles, not to protect persons using them. Based on laboratory testing using freely available standardized cultures of the organisms, this list provides examples only of the types of micro-organisms that Bio Shield products have been shown to inhibit. Some tested organisms are associated with pathogenic conditions. No health claims are made concerning Bio Shield products.
