Dear Costco Member,

Costco records indicate that you, or one of your add-on members, have purchased item number 744361 Genova Yellowfin Tuna in Olive Oil 6/7 oz between January 28, 2025 and February 10, 2025 in select North Carolina, Puerto Rico, Florida, Georgia and Tennessee locations.

Out of an abundance of caution, Tri-Union Seafoods has announced a voluntary recall following a notification from our supplier that the “easy open” pull tab lid on limited products encountered a manufacturing defect that may compromise the integrity of the product seal (especially over time), causing it to leak, or worse, be contaminated with clostridium botulinum, a potentially fatal form of food poisoning.

The following lot codes are affected by this recall:

Lot Code	Best If Used By
S84N D1D	1/21/2028, 1/23/2028, 1/27/2028
S84N D3D	1/23/2028
S84N D2D	1/27/2028

If you have recalled cans, please do not use and return the item to your local Costco for a full refund.

Consumers can contact Tri-Union Seafoods at [support@thaiunionhelp.zendesk.com](mailto:support@thaiunionhelp.zendesk.com) or 833-374-0171 Monday through Friday from 9:00 a.m. to 5:00 p.m. EST.

We apologize for any inconvenience this recall may have caused.

Thank you,  
Saif Arabi, Ph.D  
Director, Food Safety and Quality Assurance.  
Tri-Union Seafood, LLC.
