

IMPORTANT SAFETY RECALL

Dear Costco Member,

This is a follow up to the message previously sent by Costco. Costco's records indicate that you, or one of your add-on members, have purchased Item #1879870, Kirkland Signature Valdobbiadene Prosecco DOCG between April 25, 2025 and August 26, 2025 in IA, IL, IN, KY, MI, MN, MO, ND, NE, OH, SD, or WI.

In cooperation with the U.S. Consumer Products Safety Commission, F&F Fine Wines International is conducting a Voluntary Safety Recall of certain Kirkland Signature Valdobbiadene Prosecco DOCG bottles, as the Prosecco bottles can break or shatter, posing a laceration hazard.

The product was sold in a green bottle with purple foil on the top and a purple label with the words "Kirkland Signature Valdobbiadene Prosecco Superiore DOCG" featured, for about \$8.00.

If you still have possession of the product, please stop use immediately, discard the bottles in your household trash, and contact F&F Fine Wines at 786-810-7132 from Monday through Friday from 8 am to 6 pm EST, or e-mail customercare@ethicawines.com for questions regarding this recall. You are entitled to a full refund of the purchase price upon returning this letter to your nearest Costco location and/or verification of your purchase at your nearest Costco location. The bottles should not be returned to Costco.

Our number one priority is the satisfaction and safety of our customers. Thank you in advance for your cooperation.

Sincerely,

Paolo Bressan
