

GOLDEN GOAT

THE *PRESTIGE* COLLECTION

A curated tasting of four exceptional sturgeon caviars. This exclusive collection highlights the remarkable diversity of flavor and texture across the world's most celebrated sturgeon species. Each tin is freshly packed to order to ensure peak quality.

How to Enjoy

Serve over crushed ice. Enjoy straight from the tin with the mother-of-pearl spoon provided, or serve atop warm blinis or sea salt chips. Traditional accompaniments such as crème fraîche, diced onions, chopped egg whites and fresh chives can be added to create a classic service.

Pairing Suggestion

Chilled Champagne, vodka or a bright, mineral-driven white wine complements the natural richness of each caviar.

Storage & Shelf Life

Refrigerate immediately. Once opened, enjoy within 24 hours for best flavor.
