SAMSUNG

Bespoke Counter Depth 4-Door Flex™ Refrigerator
23 cu. ft. with Beverage Zone™ and Auto Open Door

Signature Features

Beverage Zone™

Enjoy a fridge within your fridge with two temperature settings, perfect for beverages, desserts, and more. Choose from an internal dispenser or a built-in AutoFill Water Pitcher that automatically refills, with the option to infuse with a flavor.

Auto Open Door

Open the refrigerator with ease, even if your hands are full, with Auto Open Door. With just a light touch of the door sensor, the refrigerator door will fully open.

Dual Ice Maker

Select from cubed ice or Whisky Ball Ice that chills your drink faster.*

*Compared to cubed ice.

SAMSUNG

Bespoke Counter Depth 4-Door Flex™ Refrigerator 23 cu. ft. with Beverage Zone™ and Auto Open Door

Installation Specifications

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustrations below to determine dimensions.
3. Allow 2.5" of clearance on hinge side of refrigerator when installing next to a wall.
4. Allow 2" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

For optimal usage and ability to open refrigerator doors completely, do not install next to a wall.

Please note: The following dimensions and cutout information is for planning purposes only. For complete installation details, consult manual packed with product or download manual online at samsung.com.

Dimensions

Total Capacity: 22.5 cu. ft.

Refrigerator: 13.7 cu. ft.
