Dear Costco Member,

Costco records indicate that you, or one of your add-on members, have purchased Item 1532925, Chomps Original Beef Sticks 1.15 oz. Sticks – 12 Count Pouch between 2/04/25 - 3/21/25.

Our priority is—and always will be—the safety of our consumers. Idaho Smokehouse Partners under the brand name Chomps is issuing a recall in cooperation with the USDA due to the potential presence of foreign material. The issue was discovered after Chomps investigated two consumer complaints reporting the potential presence of metal fragment in the meat stick product. There have been no reported adverse reaction or injuries and this internal recall was initiated as a proactive measure out of an abundance of caution.

If you or your member add-ons have impacted products, you should not consume the product and should return the item to your local Costco for a full refund.
