IMPORTANT PRODUCT SAFETY RECALL NOTICE

Dear Costco Member,

Costco records indicate that you, or one of your add-on members, purchased a Titan Pro 40 Can Soft Sided Iceless Collapsible Cooler, Costco Item Number 1872184 **between March 6, 2026 and March 29, 2026.**

In conjunction with the US Consumer Product Safety Commission, California Innovations is recalling the cooler. It is possible that one small, powerful magnet could detach/fall out from the cooler's latch if the cover over the magnet was inadequately sealed in the manufacturing process. Small powerful magnets, which are not securely contained within a product, can pose a choking hazard for children and pets.

PLEASE STOP USING THE COOLER and contact California Innovations to receive a free replacement latch kit.

Call California Innovations Inc. at 1-888-413-2665 between 9:00 AM and 5:00 PM Eastern Time if you have any issues or concerns. Recall information can be found on our website www.arcticzone.com.

Thank you
