Sage 50 Accounting 2026 is easy-to-use accounting and business management desktop software for Canadian small businesses.

Sage 50 Pro Accounting 2026

Desktop: 1-year software subscription including online chat, phone support and online courses for 1 user.

Manage your business with professional, easy-to-use accounting; efficiently track sales, expenses and taxes, and cash flow; and manage projects and inventory.

Sage 50 Premium Accounting 2026

Desktop: 1-year software subscription including online chat, phone support and online courses for 2 users.

Analyze your business with advanced accounting, forecasting, and budgeting functionality. It is ideal for small businesses that require an accounting solution with advanced business management tools for more than one company, location, or software user.

Purchase includes 12 month subscription

You will need to renew your subscription after 12 months. This will allow you uninterrupted service. If you choose not to renew, your software will go into read-only mode and support and product updates will cease.

Sage 50 Accounting

Includes online chat and phone support for 12 months

Connect quickly with a Sage technical expert from within the product.⁵

Local experts
