We are informing you that the Sunbeam Company, in cooperation with the U.S. Consumer Product Safety Commission, is announcing a recall that involves the Oster French Door Countertop Ovens. When reaching into the hot oven, the oven's doors can unexpectedly close, posing a burn hazard to consumers.

Please stop using the oven and contact Oster at <https://recall.oster.com> to verify your model is affected and register for a free repair kit or return the oven to your local Costco for a full refund.

Should you have any additional questions, please contact Consumer Services at 1-800-334-0759 Monday through Friday (9 a.m. to 5 p.m. ET).

Thank you
