

## *Liberty Collection*

*Made of select hardwoods with cherry wood veneers, the Liberty collection features a cobblestone black rub finish with cherry undertones. Liberty couples a classic look with a sassy sense of style for the young at Heart.*

*This collection is moderately distressed using the following techniques to evoke an antique look, adding depth and character to the furniture.*

*Rub through of cherry finish  
around edges and drawer fronts*

*Manufactured holes on  
furniture surfaces*

For product questions or to request a wood sample, please call 1-877-858-8045 and ask for the Customer Service Department related to Costco
