

PRODUCT CONFORMANCE CERTIFICATE: ANSI/BIFMA STANDARDS

PRODUCT CONFORMANCE CERTIFICATE

Certificate ID: PCC20250303
Certificate Date: 25/05/2023
Certificate Expiration: 25/05/2028

Safco Products Company (Safco) maintains a Product Conformance Testing Program and conducts ongoing Product Conformity Assessments following BIFMA PC-2020, "BIFMA Product Conformance Requirements." The Program includes ongoing management of compliance test plans and utilizing ISO/IEC 17025 accredited testing laboratories.

This summary report confirms that third party independent testing has been performed on the product described below. This report also confirms that the associated test report is retained by Safco. Safco does not share third party testing reports as they contain confidential intellectual property information.

SAFCO Collection Names: CoGo Steel Outdoor/Indoor Bench

4368 - CoGo Steel Outdoor/Indoor Bench

Samples representative of current production have been tested and found to be in compliance with the following ANSI/BIFMA Test Standards:

ANSI/BIFMA X5.4-2020 – Lounge Seating

Safco's products are designed and tested for compliance when installed and used in accordance with Safco's assembly instructions. The use of unauthorized components, parts, or materials VOIDS all claims of product conformance.
