EASY INSTALLATION

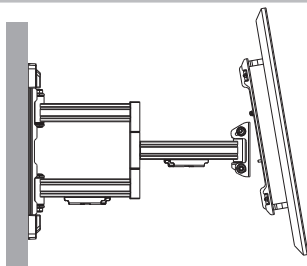

STEP 1

- Locate the studs using a stud finder.
- Use HOLE TEMPLATE for positioning of the holes.
- Confirm the exact location, drill and secure the wall plate.

STEP 2

- Attach mount arms to the TV.
- Adjust TV mount arms to line up with the TV's mounting holes.
- Use the appropriate screws from included screw kit.

STEP 3

- Hang the TV onto the wall plate.
- Use included level to insure perfect position.
