¹QLED televisions can produce 100% Color Volume in the DCI-P3 color space, the format for most cinema screens and HDR movies for television. ²Background feature accuracy may vary based on TV location and is dependent on wall designs, patterns and/or colors. SmartThings app on a mobile device (Android, iOS) is required for some functionality. App features may be limited at launch; please continue to check for updates. ³The Google Assistant service may not yet be available at the time of purchase of this product; please continue to check for app updates. ⁴HDMI—CEC (Consumer Electronics Control) facilitates convenient control functions with compatible devices. ⁵Requires third-party control system installation.
