Pant sizing is indicated by a waist and an inseam measurement (For example : 30"x32"). Refer to the measurement guide to determine your waist size. Inseam of pant is based on height : 30" inseam = 5'11" and under; 32" inseam = 6' to 6'3"; 34" inseam = 6'4" and over

WAIST

Measure around the waist at the level where belt is normally worn. With the tape measure snug around the waist, relax, then take the measurement.
