WOOD LEG
PATTE EN BOIS
PATA DE MADERA

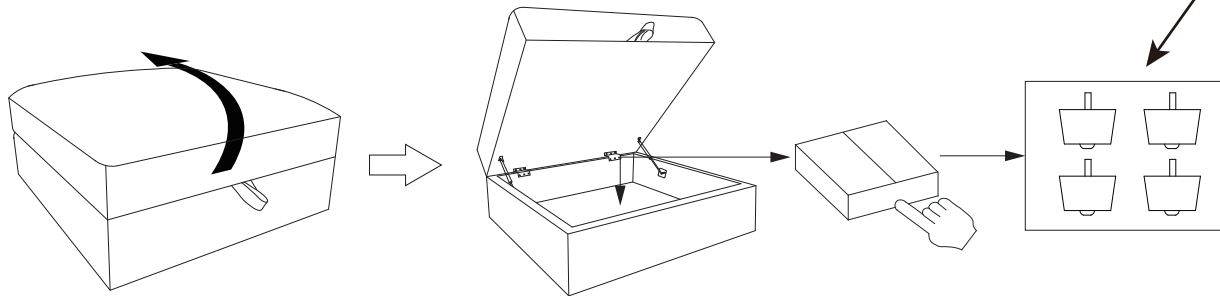

21X

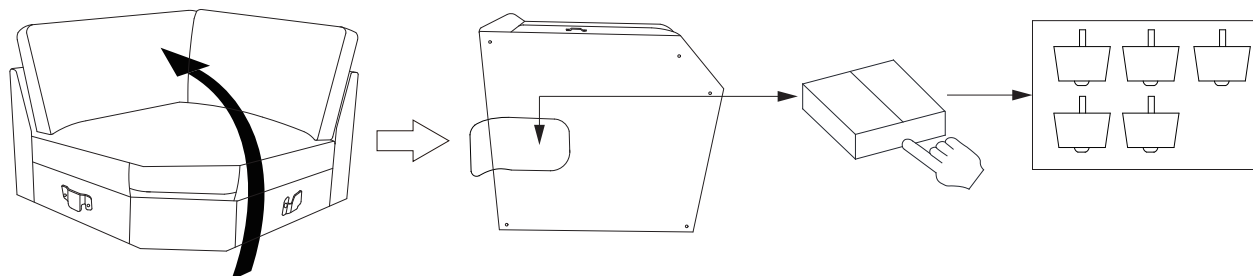

1

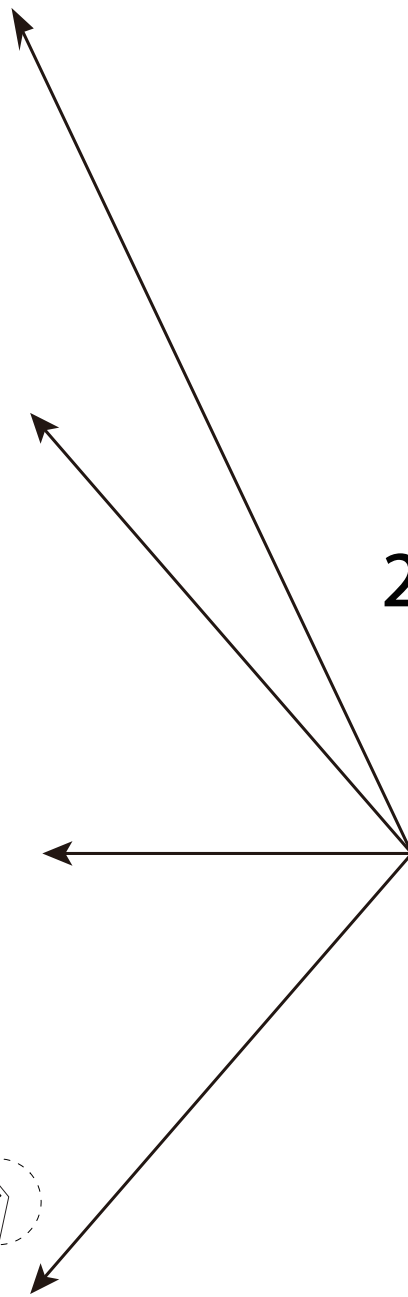

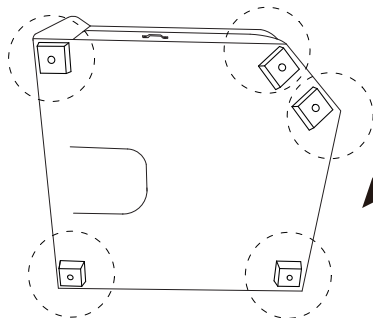

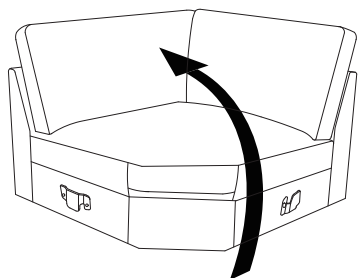

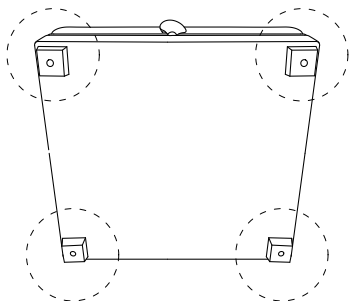

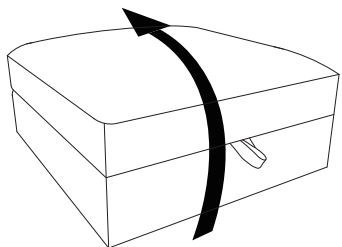

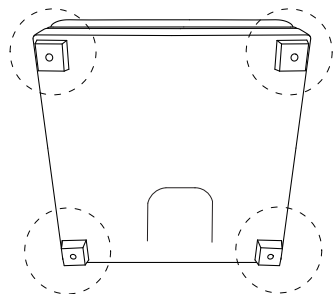

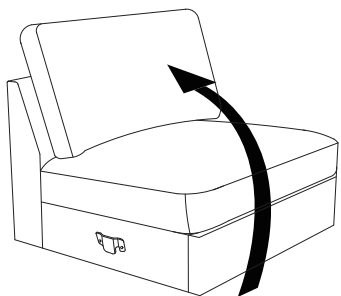

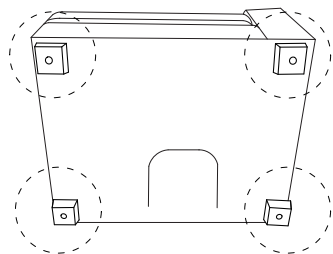

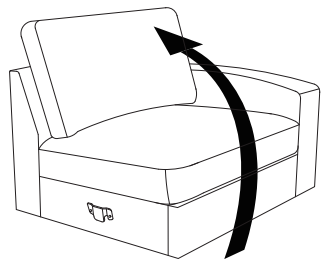

Remove the wood legs. The legs for the ottoman are inside the seat storage compartment. The legs for the chairs are underneath the unit in the zippered compartment.

Sortez les pieds en bois. Les pieds pour l'ottomane se trouvent dans le compartiment de rangement du siège. Les pieds pour le fauteuil se trouvent dans le compartiment à glissière sous le module.

Retire las patas de madera. Las patas del otomano se encuentran adentro del espacio de almacenamiento. Las patas de las sillas se encuentran debajo de la unidad en el compartimento con cremallera.

2

For each piece, locate the threaded insert on the underside of each unit and tighten the wood legs into the inserts.

Pour chaque pièce, repérez l'ouverture filetée située en dessous de chaque module et serrez les pieds en bois dans les ouvertures.

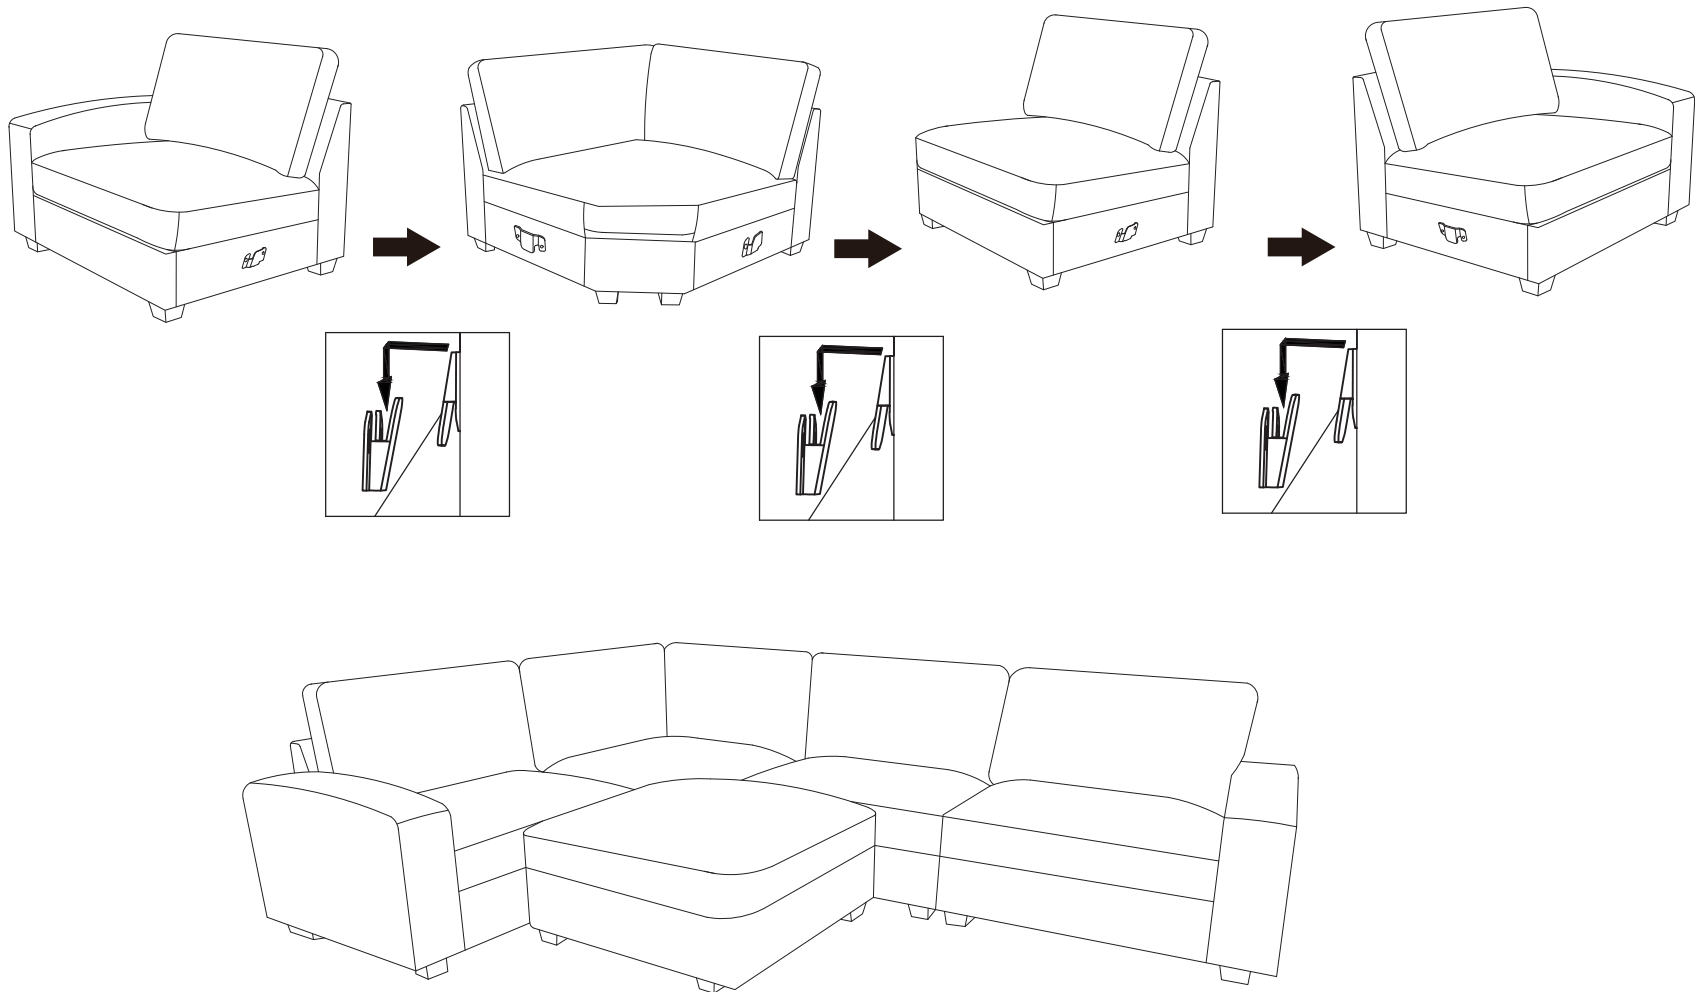

Para cada pieza, localice el inserto roscado en la parte inferior de cada unidad y apriete las patas de madera en los insertos.

3

Tip: To secure the pieces find on the side where the hook is located and let the downward hook slide into the upward hook slot.

Conseil : Pour fixer les pièces, trouvez du côté où se trouve le crochet et laissez le crochet vers le bas glisser dans la fente du crochet vers le haut.

Sugerencia: Para asegurar las piezas, busque el lado donde se encuentra el gancho y deje que el gancho de abajo se deslice dentro de la ranura del gancho de arriba.
