

Laundry

Front Load Washers

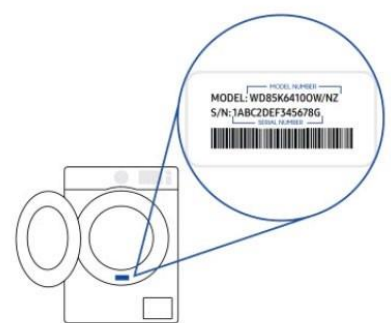

The model number and serial number are located on the rim, behind the door.

Top Load Washers

The model number and serial number are sometimes underneath the lid in two possible locations.

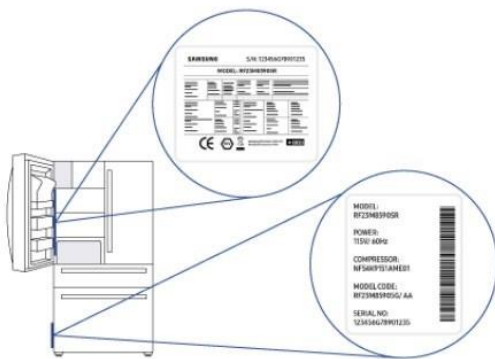

Dryers

The model number and serial number are located on a label around the door frame of the dryer.

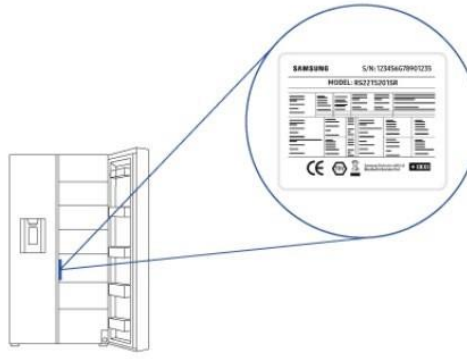

Refrigeration

Refrigerators

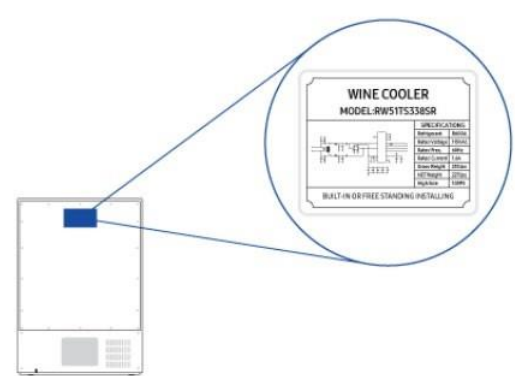

The model and serial number can be found on the interior left wall of the refrigerator compartment. Another label can be found on the exterior left side, near the bottom.

Side by Side

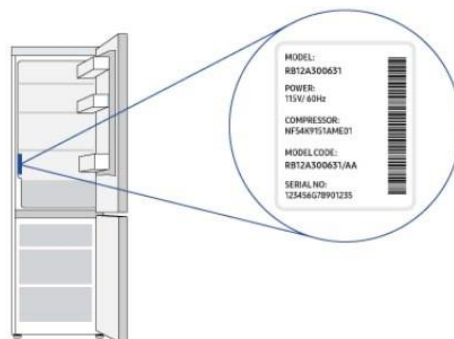

The model and serial number can be found on the interior left wall of the refrigerator compartment. Another label can be found on the exterior left side, near the bottom.

Wine Coolers and 2-Door Chests

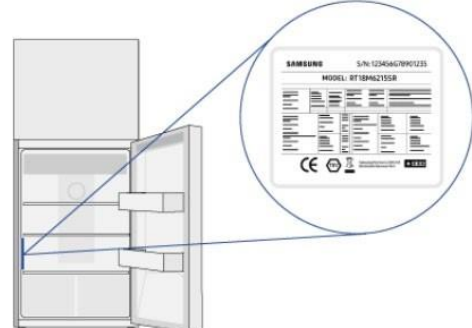

The model and serial number can be found on the back.

Bottom Freezer

The model and serial number can be found on the interior left wall of the refrigerator compartment. Another label can be found on the exterior left side, near the bottom.

Top Freezer

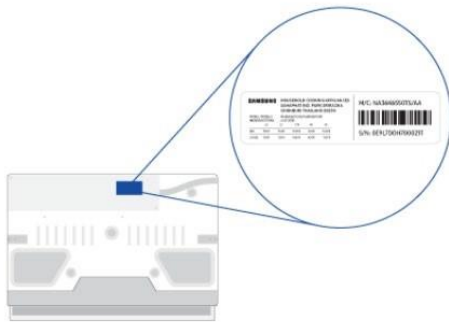

The model and serial number can be found on the interior left wall of the refrigerator compartment. Another label can be found on the exterior left side, near the bottom.

Most Common Serial/Model Number Barcodes

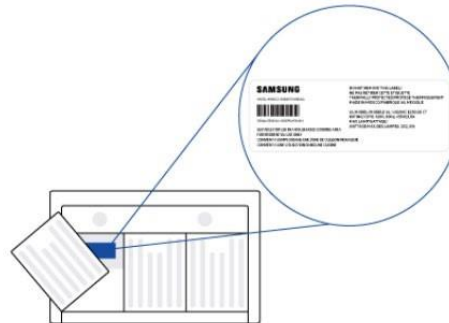

Cooking – Built In

Built In Cooktops

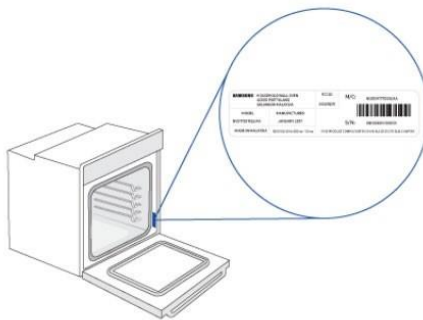

The model and serial label is on the bottom of the cooktop, and not accessible after installation.

Vent Hoods

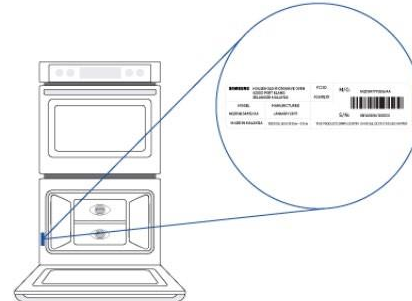

The model and serial number can be found inside the hood, behind the left-most vent cover.

Interior frame (right side)

The second possible location of the label is on the interior frame, on the right side. If it is a double or microwave combination wall oven, it will be found on the lower oven.

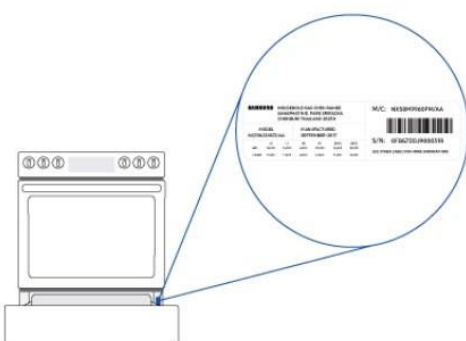

Interior frame (left side)

The first possible location of the label is on the interior frame, on the left side. If it is a double or microwave combination wall oven, it will be found on the lower oven.

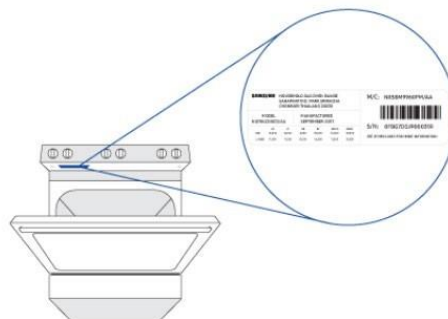

Cooking - Ranges

Behind drawer (right side)

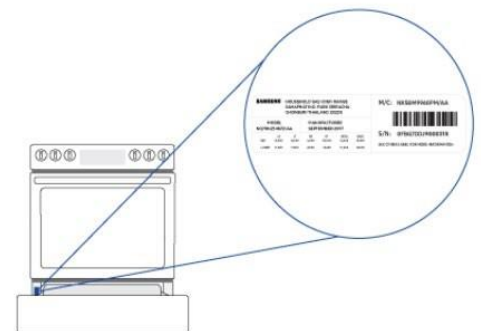

The first possible location of the label is behind the drawer, on the right side.

Underneath controls

The second possible location is under the controls. Open the door, and look up under the overhang to see the label on the 'ceiling' of the door frame, on the left side.

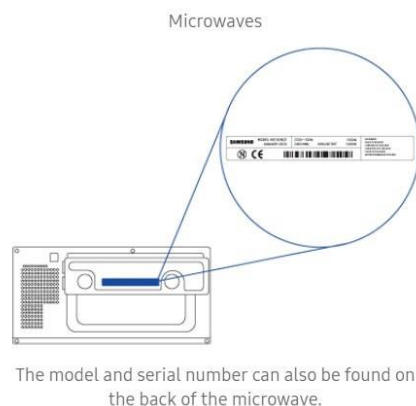

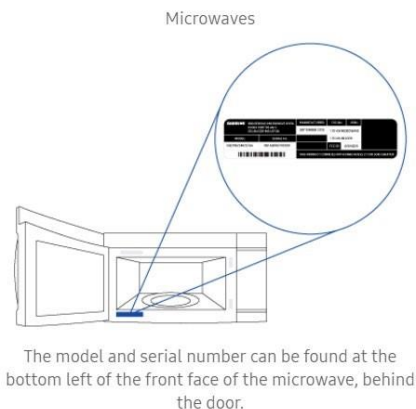

Behind drawer (left side)

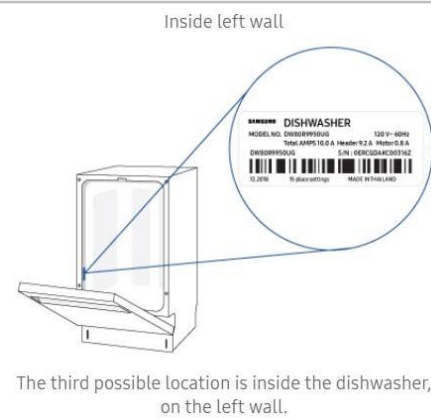

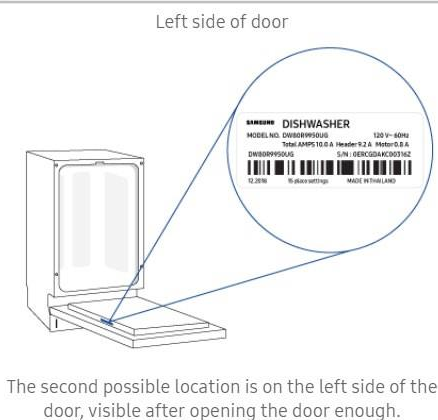

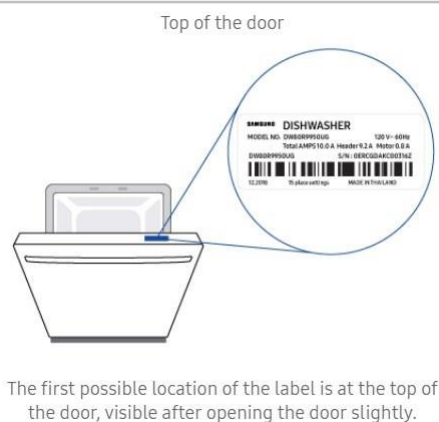

The third possible location is behind the drawer, on the left side.
