

April 2, 2026

Dear Costco Member,

Costco's records indicate you purchased a Universal Broadmoore branded Bellevue or Oaklynn canopy bed model numbers M24109240 (1812503); M24109230 (1812501); M24107240 (1812427); M24107230 (1812424) between October 1, 2024, and February 20, 2026.

A concern has come to our attention that, when the bed is moved after assembly, the canopy beams can collapse, posing impact and injury hazards to consumers.

We request that you not move the bed and contact Samson immediately.

Out of an abundance of caution, Samson is conducting a voluntary recall in cooperation with the U.S. Consumer Product Safety Commission. We are making available to consumers a free repair, including installation of four metal brackets and mounting hardware that will permanently attach the canopy frame to the top of the bed posts.

Please contact Samson International toll-free at 800-357-0701 from 8 a.m. to 5 p.m. ET Monday through Friday, online at www.samsoninternational.com and click "Important Recall Information", or by email at samson@rsvpcomm.com.

Sincerely,
