Travel Details

Q1: Do I need a visa or passport?

Q2: What happens if I do not get the proper travel documents (such as a visa) or do not have the appropriate passport documentation and am denied boarding my flight?

A2: The proper travel documents are your responsibility. Should you not procure the appropriate travel documents and are denied boarding, and are unable to attend the trip, you will forfeit the value of the trip as well as your airfare voucher, and any cancellation fees will apply.

Q3: If the reward trip gets cancelled due to external, uncontrollable circumstances, will LifeWave compensate members for the value of the trip?

A4: Yes. While travel insurance is not required, we strongly recommend that all attendees consider purchasing travel insurance to help protect against unexpected situations such as trip cancellations, flight disruptions, medical emergencies, lost luggage, or other unforeseen travel issues. Please review coverage details carefully to determine what best fits your individual travel needs.

Q5: Does the VIP Conference Experience include travel accommodations for my guest?

Any additional travel expenses for guests or companions are the responsibility of the Achiever or the guest.
