Subject: End of Life Notification for **xSpan 360 - EU models**

Bulletin Number: **EOL-HW-Y2026M6D12-R0**

Date: June 12th, 2026

END OF LIFE NOTICE

Sensormatic Solutions Management announces the **End of Life of the “xSpan360 EU model”**. In alignment with this change, Sensormatic Solutions will be announcing the End of Sale (EOS), End of Support (EOSupport) and the End of Life (EOL) for this Solution to ensure a smooth transition, please find the key milestones and associated dates outlined below.

NOTICE: All EOL announced products and effective dates are subject to limited inventory availability and availability for ordering is based on a first in, first out secured P.O. basis. An unexpected increase in last buy orders may result in product not being available through the EOL notification date.

Milestones

Milestone	ERP Status	Date
EoL Notification Date (EOND)	PHO	June 12 th , 2026
End of Sale (EOS)	EOL	June 12 th , 2027
End of Support (EOSupport)	EOS	June 12 th , 2027
End of Life (EOL)	OBS	June 12 th , 2027

Note: Any changes to above timeline will be communicated via a revised Global End of Life Notice.

What does End of Sale Mean?

Once the End of Sale date is reached, this hardware product will no longer be available for purchase. Existing customers may continue to receive technical support and maintenance as outlined in their support agreements until the specified End of Support or End of Life date. Customers relying on this hardware should consider transitioning to a current model to ensure ongoing support and compatibility.

What does End of Support mean?

After the End of Support date, technical support, firmware updates, and maintenance for this hardware will cease. Certifications previously conducted to ensure compatibility and performance with specific applications will no longer be valid, and the hardware may not operate optimally with future software or system updates. Customers are encouraged to plan for device upgrades to maintain reliable performance and compatibility with newer standards.

What does End of Life mean?

After the End of Life date, this hardware product will be officially retired. All support, including firmware updates, technical assistance, and maintenance, will cease, and any certifications ensuring compatibility and optimal performance with specific applications will be invalid. Continued use of the hardware may result in compatibility issues or suboptimal performance, and users are advised to upgrade to a supported device to ensure ongoing reliability.
