Conhecimentos de comparação de locais

Comparar o desempenho de todos os locais

- Identificar os locais com melhor e pior desempenho
- Poupar tempo e concentrar esforços nos locais com fraco desempenho
- Identificar as razões pelas quais um local não está a ter um desempenho adequado, de modo a que possam ser implementadas medidas corretivas

Tarefa de entrega

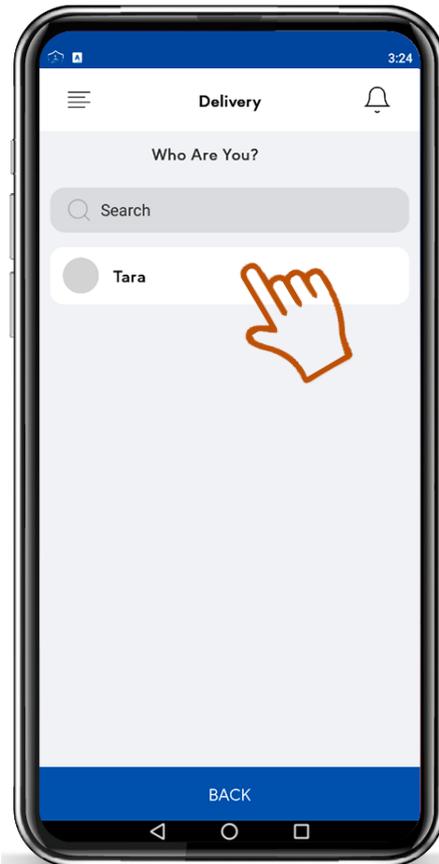

Selecione Entrega a partir do ecrã inicial

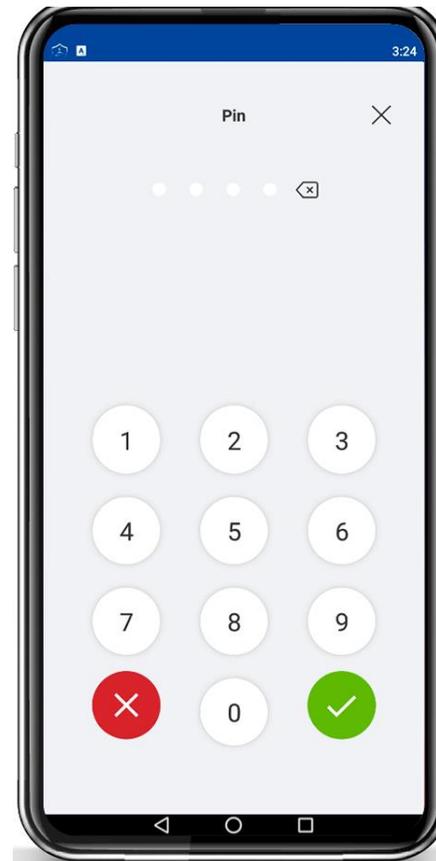

Gestão de tarefas

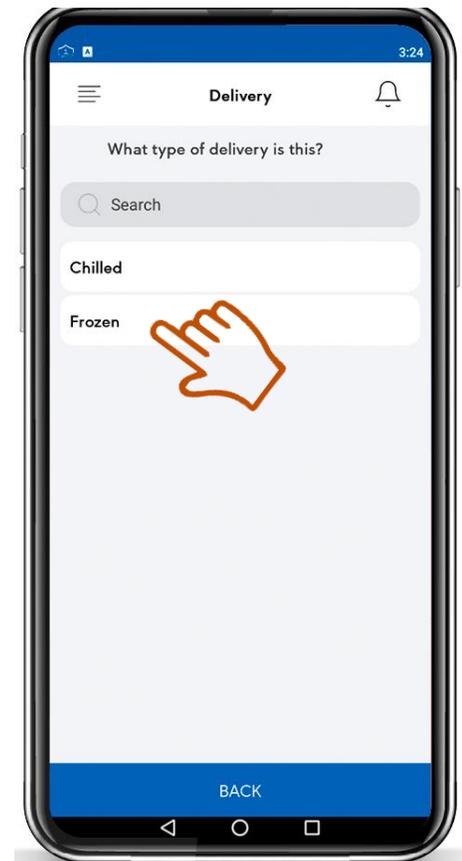

- As tarefas programadas e os lembretes podem ser facilmente configurados
- Garantir a conformidade do pessoal no local
- Proteger a sua marca e os seus clientes

Selecione o seu nome na lista

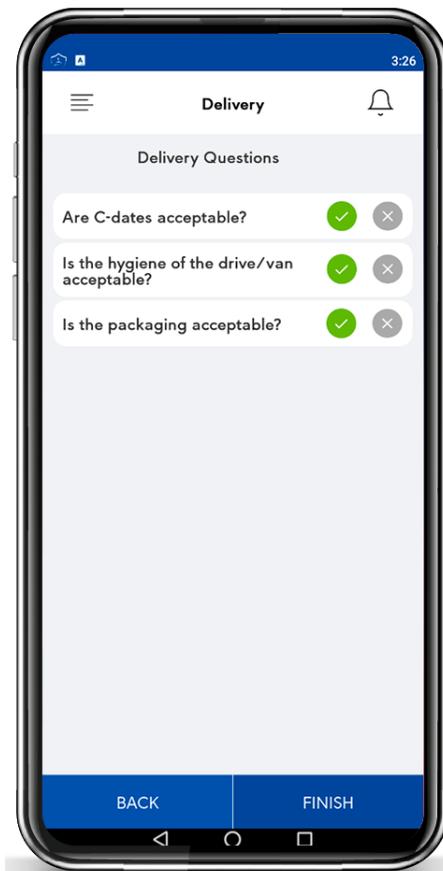

Introduza o seu pin de 4 dígitos

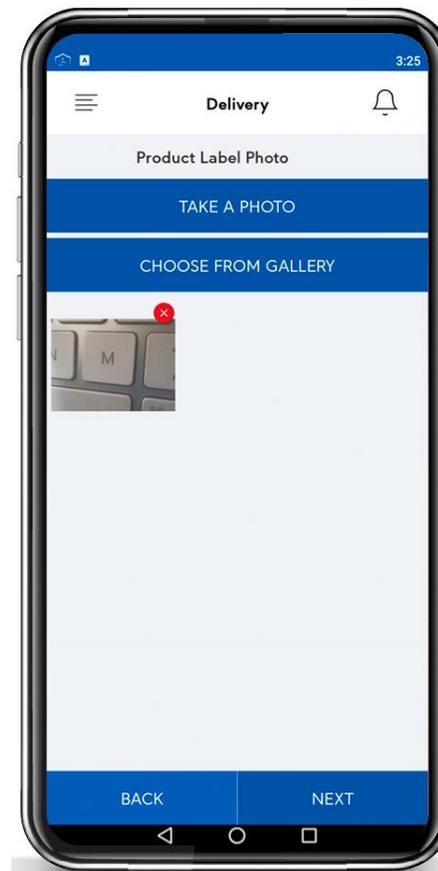

Selecione o tipo de entrega

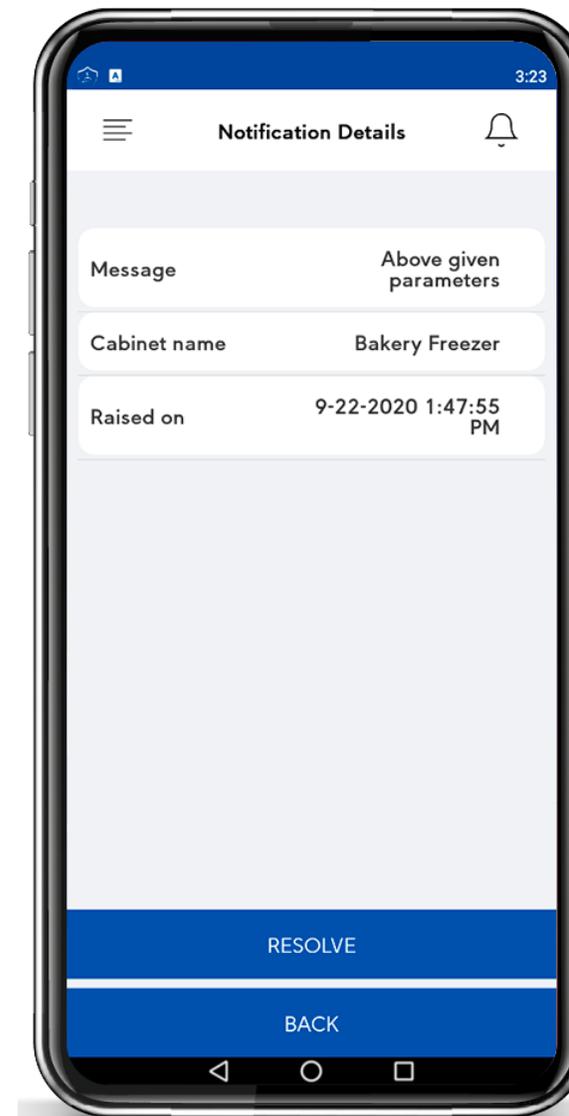

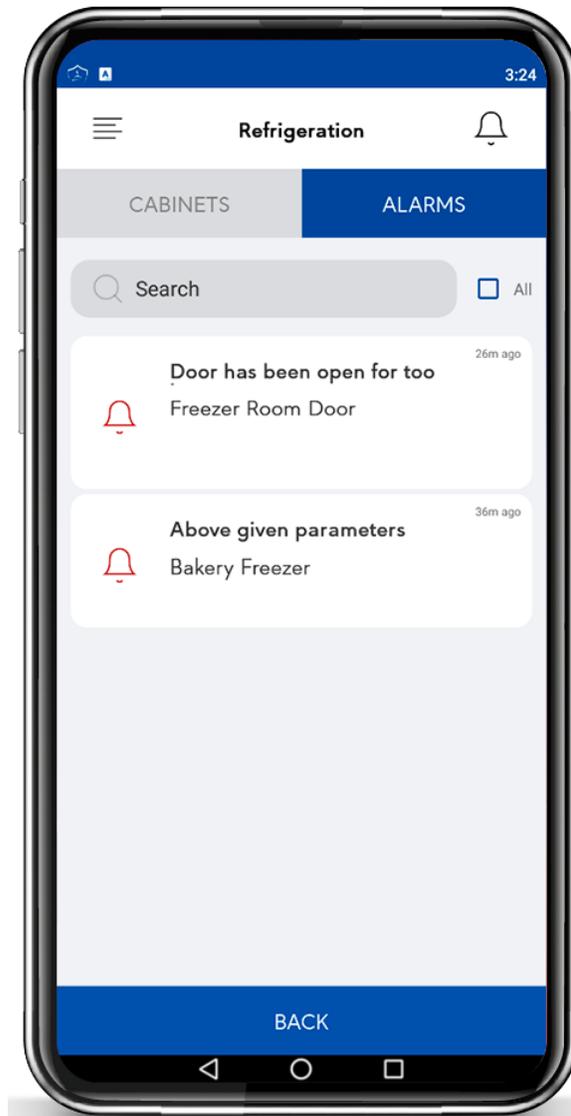

Registe a temperatura com o termómetro Bluetooth

Responda às perguntas de entrega

Tire uma fotografia do registo da fatura

Notificações de alarme

- Receber notificações de alarme num dispositivo móvel designado quando o equipamento de refrigeração requer atenção
