Subject: End of Life Notification for ZBAMB5190A Deactivator Antenna

Bulletin Number: EOL-HW-Y2025M10D17

Date: October 17, 2025

END OF LIFE NOTICE

Sensormatic Solutions Management announces the **End of Life of ZBAMB5190A antenna**. In alignment with this change, Sensormatic Solutions will be announcing the End of Sale (EOS), End of Support (EOSupport), and the End of Life (EOL) for this **Scanner Integrated Deactivator Solution**. To ensure a smooth transition, please find the key milestones and associated dates outlined below.

The Datalogic Magellan 8500xt is now OBS, no direct replacement available for this scanner model, Sensormatic will EOL the ZBAMB5190A following Datalogic scanner OBS.

Milestones

Milestone	Date
EoL Notification Date (EOND)	October 17, 2025
End of Sale (EOS)	November 30, 2025
End of Support (EOSupport)	November 30, 2027
End of Life (EOL)	November 30, 2027

*Affected product codes: **ZBAMB5190, ZBAMB5190A***

Note: Final shipments will be based on product lead time and requested delivery date. Any changes to the above timeline will be communicated via a revised Global End of Life Notice.

What does End of Sale Mean?

Once the End of Sale date is reached, the ZBAMB5190A antenna will no longer be available for purchase. Existing customers may continue to receive technical support and maintenance as outlined in their support agreements until the specified End of Support or End of Life date. "Customers relying on this deactivator antenna should consider transitioning to a current model to ensure ongoing support and compatibility."

What does End of Support mean?

After the End of Support date, technical support, firmware updates, and maintenance for the ZBAMB5190A antenna will cease. Certifications previously conducted to ensure compatibility and performance with specific applications will no longer be valid, and the hardware may not operate optimally with future software or system updates. "Customers are encouraged to plan for device upgrades to maintain reliable performance and compatibility with newer standards."

What does End of Life mean?

After the End-of-Life date, the ZBAMB5190A antenna will be officially retired. All support, including firmware updates, technical assistance, and maintenance, will cease, and any certifications ensuring compatibility and optimal performance with specific applications will be invalid. Continued use of the hardware may result in compatibility issues or suboptimal performance, and users are advised to upgrade to a supported device to ensure ongoing reliability.
