From: Solutions Management – 3rd Party Video Portfolio

Subject: End of Life Notification for listed 3rd Party Video Product (cameras & 3pp supporting equipment)

Bulletin Number: EOL-HW-Y2026M5D19-R0-VIDEO

Date: May, 19th, 2026

END OF LIFE NOTICE

Sensormatic Solutions Management announces the **End of Life** of these selected 3pp Video Product. In alignment with this change, Sensormatic Solutions will be announcing the End of Sale (EOS), End of Support (EOS support) and the End of Life (EOL) for this 3pp Video Product. To ensure a smooth transition, please find the key milestones and associated dates outlined below.

Note: Page 12 – has a few SKU's that has direct or indirect substitute from the Manufacture or Vendor , these parts are all active currently today. Some SKU has identical part number less a suffix as the substituted part.

Milestones

Milestone	ERP Status	Date
EoL Notification Date (EOND)	PHO	May, 19 th , 2026
End of Sale (EOS)	EOL	June, 18 th , 2026
End of Support (EOSupport)	EOS	June, 18 th , 2026
End of Life (EOL)	OBS	June, 30 th , 2026

Note: Any changes to above timeline will be communicated via a revised Global End of Life Notice.

Applicable Regions

APAC	EMEA	LATAM	NA
☒	☒	☒	☒

With this announcement, these 3pp Video Product **is being replaced/removed by the indicated dates**. Where applicable, we encourage you to consider transitioning to the newer 3pp Video Product (when available) as part of a long-term technology strategy.

For more detail about of the product codes (P/Ns) impacted please consider the Product Mapping list hereunder.

If you have any questions on the **End of Life Notice for 3pp Video Product**, please reach out to your Sales, Professional Services or Solutions Manager representative at srs.solmgt.eol@jci.com.

What does End of Sale Mean?

Once the End of Sale date is reached, this hardware product will no longer be available for purchase. Existing customers may continue to receive technical support and maintenance as outlined in their support agreements until the specified End of Support or End of Life date. Customers relying on this hardware should consider transitioning to a current model to ensure ongoing support and compatibility.

What does End of Support mean?

After the End of Support date, technical support, firmware updates, and maintenance for this hardware will cease. Certifications previously conducted to ensure compatibility and performance with specific applications will no longer be valid, and the hardware may not operate optimally with future software or system updates. Customers are encouraged to plan for device upgrades to maintain reliable performance and compatibility with newer standards.

What does End of Life mean?

After the End of Life date, this hardware product will be officially retired. All support, including firmware updates, technical assistance, and maintenance, will cease, and any certifications ensuring compatibility and optimal performance with specific applications will be invalid. Continued use of the hardware may result in compatibility issues or suboptimal performance, and users are advised to upgrade to a supported device to ensure ongoing
