- Estate Manager is officially EOL as of March 31st 2026. Estate Manager is no longer working. Any problem we need to send a technician, and this has a high cost we therefore recommend replacing any Irisys Vector given the product has an end-of-life date March 31st 2027.
- End of Service Life (EOSL) has passed for Vector. We recommend upgrading the device to Orbit 8, Orbit AI, Xovis or Brickstream.

If you have any questions on the **End of Life Notice** per above, please reach out to your nearest **Regional Solutions Management Team** member.
