Why Bayswater?

Bayswater provides global upskilling experiences that equip students with the practical skills and confidence to thrive in the future of work.

Our programmes blend academics with real-world experience and soft skills, to empower students to create the life they want to live.

The Benefits of co-op:

Co-op gives you the opportunity to apply what you learn in real-world settings, making your education more practical and relevant. It also boosts your employability by providing hands-on experience and valuable industry connections, setting you apart in the competitive job market.

Our Career Centre workshops will prepare you for entering paid co-op. View our FAQ's on how co-op works.

Career pathways:

International Business Management offers many career options, a few are Office coordinator, Marketing coordinator, Sales Assistant, HR assistant, Finance Assistant, Business development coordinator.

Evaluation methods:

Evaluation is made up of weekly assignments, quantitative quizzes, a project, collaborative work and a midterm and final exam.

Learning outcomes:

On completion, students will have the ability to:

- Understand financial management principles and practices
- Grasp accounting, financial reporting, cost analysis, and risk assessment
- Use standard business tools and information systems
- Design and manage information systems
- Identify, recruit, and retain talent effectively
- Manage employee relations and ensure legal compliance
- Acquire knowledge in operations and project management
- Oversee performance, training, development, and organisational behaviour
- Apply project management techniques, including risk analysis and scheduling
- Utilise market research, product development, pricing, and digital marketing
- Enhance written and verbal business communication with a focus on diversity
- Create clear business documents, reports, and presentations
