2023 Important Information

Application Submission Deadline

You must submit your complete application package with all original documents as required for your major and degree to Bayswater, by email to pathways@bayswater.ac, at least three (3) weeks prior to the university deadline date. If original documents are required for application, they must be submitted to our office, at least six (6) weeks prior to the university deadline date.

Supporting Document

Most institutions accept scanned copies of supporting documents at the time of application. Most institutions require a sealed original transcript be submitted before the university start date.

Bayswater Minimum for University Conditional Admission

Our goal at Bayswater is to provide comprehensive English language education so that Bayswater students meet with success as they undertake the rigorous demands of undergraduate and graduate study in Canada. To this end, Conditional Admission requires a minimum of twelve (12) weeks at Bayswater Education Canada Centers. Most universities encourage students to finish Bayswater levels a month or two prior to the start of university study. This allows for a smooth transition to university campus life.

Decisions

Application processing time varies depending on the program and institution. It usually takes 1-3 weeks (undergraduate application) or 8-9 weeks (graduate application).

Note: These are our general guidelines. Some majors or universities may require a longer decision-making process.

While Bayswater will make its best effort to secure a conditional admission for all applicants, final admission decisions are made solely by each university or college partner at their discretion. Please note that Bayswater cannot guarantee results for any applicant.

Bayswater sends all admission decisions to you by email.

Cancellation and Refund Policy

Application Processing Fee

If Bayswater does not accept your application, Bayswater will refund you the application processing fee. If Bayswater accepts your application, and you cancel your application, the fee will not be refunded.

Deferrals

An additional application fee may be required for a deferral at some institutions. In some cases, deferrals are not permitted by the institution.
