

**1-Day
volunteering
experience:
€30**

Learn, live, give back in Cape Town

**Combine Language studies
with a meaningful volunteering
experience.**

Make a difference while exploring South Africa as you spend time in the local community. Social volunteering fosters a meaningful exchange, enriching both the lives of those who give and those who receive.

Make a real impact & find your passion

Expand your world view & build networks

Develop essential life skills & confidence

Boost your resume & career prospects

**Add a volunteering
experience to any 2+ week
full-time study programme**

About the project:

2Cchange is a registered non-profit organisation, established in 2007.

Specialising in supporting young children at daycare facilities, they provide a safe environment for learning, and growth with educational enrichment and feeding schemes.

They are involved in Morkel's Cottage informal living settlement in Strand, and the Projekt Ubuntu in the Masipumelele Township between Kommetjie and Noordhoek.

**A minimum of 5 bookings
is needed for this activity
to happen.**

What to expect:

Spend the day actively participating in volunteering tasks, managed by experienced volunteering coordinators. You'll be immersed into an English environment and interact with locals from the community.

You will get the opportunity to view areas outside of the city centre and your day will be filled with listening to and speaking in English, as you learn more about the local community and the outreach project.

Schedule:

Time	Activity
10:00	Travel from Bayswater Cape Town to 2Cchange office in Somerset West.
10:45	Coffee/tea & welcome on arrival.
11:00	Package food parcels.
12:00	Give out food parcels, tour the facilities.
13:00	Enjoy a picnic-style snack with kids and teachers. Assist children during an arts and craft session and spend time with them during playtime.
14:30	Travel back to Bayswater Cape Town on the N2 roadway. Get exposure to other affected informal settlements in the area.
15:30	Arrive back in Cape Town.
