

Internship with Siegfried

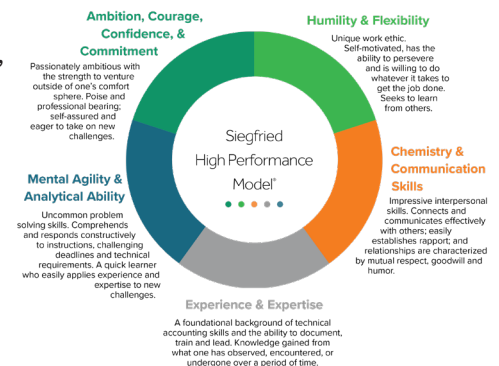

Our higher purpose is to help people transform themselves into better leaders to exponentially improve their lives, and that is just what we do for our interns. Our internship program provides interested young professionals and students with a rewarding opportunity to gain professional experience, explore your individual talents and passions, evaluate your career goals, and enhance your leadership skills in an encouraging, supportive, and fun environment.

Program Details

Our incredible interns play a huge part in the success of our Firm, particularly on our Operations team, which is headquartered in Wilmington, DE. All of our departments have welcomed interns, including Marketing, Sales Operations, Finance, Accounting, National Events, MY Journey® Operations, Information Systems, Human Resources, and Legal.

Designed to provide both tactical and practical skill development, our internship program also offers a unique perspective and emphasis on individual leadership development, which we believe enhances the overall experience of an internship with Siegfried.

Participants are permitted to work up to 32 hours per week on-site at one of the Siegfried offices across the country. The nature of your day-to-day work will vary depending on your department focus. All participants must embody [unique intangible skills](#), with a drive to learn and become better individual leaders.

Compelling Opportunities
