

QuickBooks Online Setup Support

Take the stress out of getting set up with tailored support.

- ✓ **Customized sessions** to meet your challenges
- ✓ **Led by experts** with decades of restaurant experience
- ✓ **Actionable guidance** with hands-on training

* Save time and keep your systems in sync

What's Included

Get up and running with MarginEdge + QuickBooks Online. We'll create and import your Chart of Accounts, and complete your account mappings in MarginEdge.

Price: \$500 USD | **Includes:** 3 x 45-minute sessions

Session Details:

- 1 Chart of Accounts Setup***
Create and map your chart of accounts, learn about accrual-based accounting, and how to handle inventory adjustments.
- 2 Transaction Overview**
Get detailed guidance of the integration and see in real time how your most common transactions appear in QuickBooks Online.
- 3 Banking & Reconciliation**
Connect bank feeds, reconcile [me] sales, edit deposits, and manage unmatched transactions.

* To get the most out of your sessions, connect QuickBooks and MarginEdge ahead of your first call.
