

## ONBOARDING MENU

# Package Options

Your long-term growth and success is our priority, and it starts with a thoughtful onboarding experience.

We offer three onboarding package options designed to support different levels of setup and guidance.

### Launch

A self-paced onboarding option for teams who want to get live quickly without a highly guided experience.

**\$500 USD** for the first location

*\$250 for additional locations*

#### Includes:

- **Guided support** to connect your POS and accounting systems
- **2 Q&A sessions** with an onboarding specialist
- **7 days** of invoice back processing
- **Virtual training webinars**
- **Access to training resources and seminars**

#### BEST FOR

Teams that are comfortable moving independently and want a lightweight onboarding experience.

### Boost

Guided onboarding to help customers establish strong foundations without overwhelming their team.

**\$750 USD** for the first location

*\$250 for additional locations*

#### Includes:

- **Up to six 30-minute onboarding sessions**
- **Structured guidance** focused on invoices, inventory and recipes
- **30 days** of invoice back processing
- **Up to 50 recipes per location** built by our in-house Recipe Team

#### BEST FOR

Operators who want guidance and reassurance as they adopt MarginEdge, and who expect to be involved in the setup process.

### Accelerate

A full data-foundation onboarding package for customers who need accurate theoretical reporting early.

**\$2,000 USD** for the first location

*\$250 for additional locations*

#### Boost plus:

- **End-to-end PMIX mapping** delivered by MarginEdge\*
- **Training on maintaining PMIX** as menus evolve
- **Targeted finance and reporting guidance**

#### BEST FOR

Multi-unit groups or concepts that rely on theoretical reporting and need accuracy early.

*\* Up to 1,000 POS lines*

Our goal was to find partners we can trust, depend on, and ultimately grow with. The onboarding process with MarginEdge has given us confidence that we chose the right company as their timeline and vision for us hit on every level."
