BIG AND CRISPY

Stand apart from the competition with this bun-busting Potato Breaded Wild Alaska Pollock Portion. Made with one of the world's most abundant and sustainable white fish, it creates a showstopper of an oversized fish sandwich. The crispy breading is boosted with crunchy potato sticks for an ideal textural contrast in a soft, toasted bun, with special sauce and vegetable garnish. This is a step up, and a size up, from the classic fish sandwich.

WILD ALASKA POLLOCK

Wild Alaska Pollock is a cousin to cod, sharing its lean, snow-white meat, delicate texture and mild taste. Not to be confused with the darker, oilier Atlantic variety, it's one of the healthiest and most versatile seafood choices available.
