Seafest® 5 oz. Wild Alaska
Sockeye Salmon Loin

DISCOVER WILD ALASKA SALMON

Our multi-portion, vacuum-packed Seafest® Wild-Caught Sockeye or Pink Alaska Salmon Loins are a delicious, budget-friendly choice. Great taste, firm texture, rich color, and menu versatility at a fraction of the cost of individually portioned fillets. Pink Alaska Salmon Loins are evenly cut from the center of Wild Alaska Salmon fillets. Consistent sizing in thickness and length takes the guesswork out of preparation – a treat for the team that works with the product.

Seafest® 4oz. Wild Alaska Pink Salmon Loin

WILD ALASKA SOCKEYE SALMON 	WILD ALASKA PINK SALMON 
<p>Wild Alaska Sockeye are also known as Red Salmon because of their deep, ruby-red meat color, which is retained throughout cooking. This species is known for its high oil content and rich flavor. Sockeye are caught throughout the state, but the world's largest run happens each summer in Bristol Bay, Alaska.</p>	<p>The smallest and most abundant of all Alaska salmon, Wild Alaska Pink Salmon has a light, delicate flavor that gives it wide appeal. Equally at home on the center of the plate, Pink Salmon is also the primary canned salmon species.</p>
