12-24 oz. Sliced Pepper Hot Smoked Wild Alaska Sockeye Side

WILD ALASKA SOCKEYE SALMON

Wild Alaska Sockeye are also known as Red Salmon because of their deep, ruby-red meat color, which is retained throughout cooking. This species is known for its high oil content and rich flavor. Sockeye are caught throughout the state, but the world's largest run happens each summer in Bristol Bay, Alaska.

WILD ALASKA PINK SALMON

The smallest and most abundant of all Alaska salmon, Wild Alaska Pink Salmon has a light, delicate flavor that gives it wide appeal. Equally at home on the center of the plate, Pink Salmon is also the primary canned salmon species.
