DOUBLE DIPPED FRENCH TOAST STICKS

Double Dipped French Toast Sticks are what everyone is looking for: a convenient breakfast option that's quick to prepare and easy to eat on-the-go. Like the name says, we batter-dip our French toast sticks two times. The first dip seals in sweet cinnamon and vanilla flavor. The second dip builds an exterior that crisps up when cooked, keeping the inside deliciously fluffy. Bonus: Our Double Dipped French Toast Sticks are made without high fructose corn syrup, artificial flavors, or preservatives. Just double-dipped French toasty goodness.
