ALWAYS CRISP AND DELICIOUS, ALWAYS ALASKA

Wild Alaska Seafood Croquettes come in two varieties. The first is Salmon-filled, coated with a batter of zesty buttermilk and crisp breadcrumbs, mixed with finely chopped vegetables, and seasoned with a blend of spices. A nice topper to watercress salad with cucumber vinaigrette.

The second is a blend of White Fish, lightly breaded, mild flavor, crisp and delicious right from the oven or fryer. Try them on a toasted Tex Mex sandwich with jalapeño pepperjack cheese and a creamy sauce.
