SCORE BIG WITH THESE 5 STRATEGIES

1 **Variety is the Spice of Life**

Offer Classic favorites with a twist and trendy items like country-style Wild Alaska Pollock bites or Sea Legs Crab Cakes.

2 **Go Global**

Spice things up with flavors from all over the world! Think Latin, Asian, Mediterranean, or Island-inspired dishes.

3 **Making it Mobile**

Millennials & GEN Z are on-the-go. Offer wraps, sandwiches, and tacos for easy eating.

4 **Signature Sauces Are A Sure Bet**

Sriracha, gochujang, or raspberry chipotle - these unique flavors will keep them coming back for more.

5 **Elevate Your Street Eats**

Fish and chips can be a game-changer. Offer unique twists and convenient serving styles.

Celebrating the Best the Ocean Has to Offer

At Trident Seafoods we are committed to providing delicious, convenient, easy-to-prepare menu items that celebrate the best the ocean has to offer. By sourcing the vast majority of the seafood we sell and crafting an expanding range of premium quality products, we provide unmatched value to our customers and help fuel the success of their business.
