Extended Span Kit

ISSUE DATE:	October 20, 2023	PART NUMBER:	54302 54303
SUBJECT:	Modular platform expanded span kit	PRODUCT LINE:	ErectaStep
TOPIC:	EXPANDED SPAN KIT FOR ERECTASTEP UNIVERSAL PLATFORMS		

OVERVIEW

In October 2023, the ErectaStep engineers created the extended span kit for use with our modular 36” universal platform component. The brackets contained in this kit allow support for up to 5 platforms, when secured to two ErectaStep towers with tower to platform support brackets on either side.

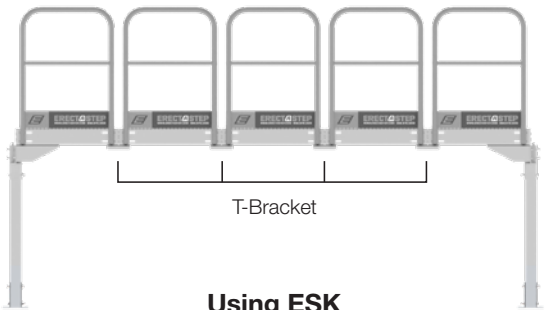

WARNING

Failure to comply may result in a system failure, death, and/or serious injury.

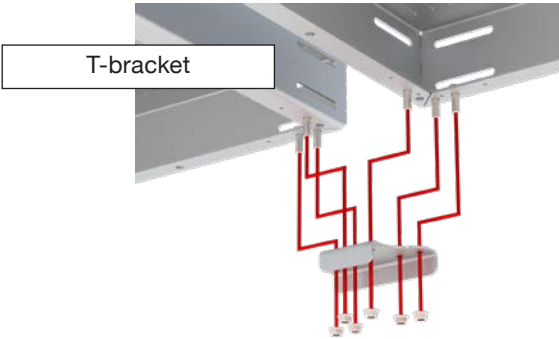

The ErectaStep underside bent T-Brackets contained in this kit are designed to be used when configurations require unsupported spans longer than 3 platform but no more than 5 platforms.

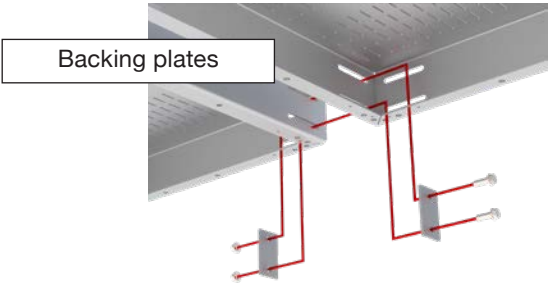

Without ESK / Standard

Using ESK

T-bracket

Backing plates
