1. Order and purchase of qualifying Hestan products in this promotion must take place between July 1 – December 31, 2024, and you must take delivery by March 31, 2025. Purchases made before or after these dates will not be eligible. 2. Consumers will have 30 days after delivery to submit it online to <https://home.hestan.com/rebate-form>. No late submissions will be accepted. 3. Consumers should receive monetary rebates within 6-8 weeks after Hestan Commercial Corporation (HCC) receives the submission of all required materials required to qualify for the rebate. Must be purchased only from participating Hestan dealers. 4. Please note, free products will be reflected on your dealer invoice at the time of purchase and fulfilled by the dealer. 5. Purchase date is determined by the date on which complete payment for the qualifying Hestan product has been received with no balance owing. Purchases made on or before December 31, 2024, and subsequently canceled before or after December 31, 2024 shall not qualify for any rebate. If any of the purchased Hestan products qualifying for this promotion are returned after a rebate has been issued, the rebate shall be forfeited and must be refunded to HCC in its entirety at the customer's expense. 6. HCC distributors, resellers and their employees, HCC employees and internal HCC orders are ineligible. 7. Only retail purchases by an end-user in the United States and Canada are valid. 8. Online submissions must include a street address. No P.O. Boxes will be accepted. If these terms and conditions are not met, Hestan rebate and/or free product will not be issued. All submissions must include the final invoice, proof of complete payment (with no balance owing), purchase and delivery date, model number(s), serial number(s), retailer name and address, and customer name and address. 9. Rebates will be issued in the form of a company check in US dollars and mailed to the customer. 10. HCC is not responsible for claims received late. Please keep copies of all materials submitted. 11. HCC reserves the right to request additional information regarding this claim, and the right to confirm identification. All information submitted with this claim becomes the property of HCC and cannot be returned. No group organization request will be honored and author rights may not be assigned or transferred. 12. HCC, and its authorized distributors shall be solely responsible for the administration, handling and/or payment of any and all rebates and/or free product under this rebate offer. Offer void where prohibited by federal, state, or local law. 13. No display or clearance models qualify for this rebate. 14. All purchases must appear on the same sales receipt. 15. Rebates and/or free products will exclusively be issued for qualifying model numbers only. No substitutes of other Hestan SKU model numbers are possible and/or permissible. 16. Rebates are only valid as long as supplies of qualified model numbers last. 17. HCC reserves the right to verify eligibility of claims and supporting documentation, including, without limitation, sales invoice documentation. HCC will determine validity of any and all claims in its sole discretion. 18. HCC reserves the right to modify Program rules and to cancel any Programs at any time without prior notification or warning. In the event of Program termination, Program participants will have 30 days from the Program termination date in which to submit final reward claims.
