# DO YOUR JOB. DO IT WELL.

*Keller*  
Chef Thomas Keller

When it came time to renovate The French Laundry kitchen, I knew exactly what I needed to elevate its form and function. So did Hestan Commercial. They spent years working alongside – and listening to – chefs. Then they built the Hestan kitchen around the way we actually cook. Every detail designed to elevate performance. Every burner, hinge and knob engineered to withstand the rigors of a real kitchen. This purpose-built design has already earned two Kitchen Innovations awards. That’s the power of collaboration. That’s the beauty of Hestan.

[hestancommercial.com](http://hestancommercial.com)

Hestan is the award-winning culinary brand renowned for creating the market's most advanced, powerful and versatile commercial kitchen equipment, premium outdoor, and now a new indoor line of appliances. Founded by culinary icons Stanley Cheng and Eric Deng, and backed by some of the industry's most inventive and forward-thinking chefs and engineers, Hestan is forging new ground with visionary technologies and products. Headquartered in the heart of Southern California in a 130,000-square-foot, state-of-the-art manufacturing facility that includes a showroom, test kitchen and innovation lab, Hestan is led by a collaborative team of industry mavericks who bring together over 200 years of combined experience to create thoughtfully designed products that respond intelligently to the needs of the end user. Equipping the kitchens of acclaimed restaurateurs and Michelin-starred chefs such as Thomas Keller, as well as the legendary Culinary Institute of America, Hestan is setting the pace of the culinary evolution with products that provide the confidence and comfort of the highest quality materials and top craftsmanship. ## TERMS AND CONDITIONS

### TERMS

Net 30 days following the date of invoice, once credit is established. A service charge of 2.0% per month will be charged on any unpaid balance over 30 days.

### PRICES

All prices are stated in US dollars and are subject to change without notice. Prices do not include sales or other state, province, federal, or local taxes. Prices are limited to purchases shipped within the US and Canada. Requests for shipments to other countries should be referred to Hestan Commercial Sales Department. All prices include manufacturer's warranty.

### FREIGHT

Orders of net \$35,000 or more will be shipped freight prepaid. Orders of less than net \$35,000 will be shipped freight paid and amount added to the invoice. All shipments are FOB Anaheim, California, USA.

### ORDER

All orders are subject to Hestan Commercial Corporation acceptance and are not binding until acceptance. They are accepted subject to acts of God, acts of government or other causes, strikes, walkouts, accidents, fires, delays in manufacturing or transportation of materials, or other causes beyond control of the manufacturer.

### CHANGES, RETURNS, OR CANCELLATIONS

Additional costs incurred due to changes requested after production has begun will be charged back to the customer. Custom or special items are not subject to change, cancellation, or return once production has begun, including (but not limited to) colored/painted parts, mirrored finished plates, and grooved plates.

Orders cannot be returned without prior written authorization. Prepaid freight will be required for all authorized return for credit. Authorized returns are subject to a 30% restocking charge or costs needed for reconditioning, whichever is greater. No return will be accepted after 60 days from the date of invoice. Returned equipment must be received within thirty (30) days from authorization date.

Authorized cancellations are subject to a 30% cancellation fee, plus any other costs to recondition the equipment.

### SHIPMENT

Title passes to the consignee and the manufacturer's responsibility ceases when the order is accepted by the carrier. Upon acceptance, the carrier assumes full responsibility for transportation of the products.

### FREIGHT DAMAGE

Should the products arrive in a damaged condition, apparent or concealed, a claim for damages must be made by the customer with the carrier. **DO NOT REFUSE DAMAGED SHIPMENT.** Notify the carrier agent. Make notes of damages on delivery receipt before accepting shipment, charges are paid, or prepaid freight shipments are accepted. Failure to do so may result in the carrier refusing to honor your claim.

In case of concealed damage, save all packaging and immediately notify the carrier with your findings and intention to file a concealed damage claim. You must make a request for inspection within fifteen (15) days of delivery. The carrier will furnish you with the inspection report and necessary documents for filing a concealed damage claim.

Shipments directly from Hestan Commercial should be handled the same. Notify the appropriate Hestan Commercial service representative immediately of any damages or discrepancies.

All orders of replacement products or parts due to freight damage will be invoiced under regular terms.

Reimbursement or credit due to freight damage will come from the carrier.

### WILL CALL AND DELAYED SHIPMENT

Will call orders must be picked up within 24 hours from notification of completion. Any will call order failed to be picked up after 24 hours from notification will be charged a storage fee of \$160 per pallet per day.

Completed orders must be picked up within three (3) business days from notification of completion. Any completed order failed to be picked up after the third day from notification will be charged a storage fee of \$160 per pallet per day.

**Hestan Commercial products are not approved or recommended for residential use.  
Hestan Commercial Corporation reserves the right to change materials and specifications without notice.**

## FOUR YEAR LIMITED WARRANTY

This Four Year Limited Warranty is provided by Hestan Commercial Corporation (“HCC”). It applies exclusively to the original purchaser (“Purchaser”) of a new HCC Product (“Product”) who takes title directly from an HCC authorized dealer, provided the Product has been purchased and installed in the United States or Canada. No oral or written representation or commitment given by anyone, including but not limited to, an employee, representative or agent of HCC will create a warranty or in any way increase the scope of this express Limited Warranty.

To obtain warranty service, the Purchaser must contact the dealer from whom the Product was purchased, an authorized agent or representative of the Hestan Commercial Service Network or HCC (see owner’s manual, provided with Product, for contact information).

### STANDARD FOUR YEAR TERM:

The overall term of this Limited Warranty is four years. During the warranty period, operating parts are warranted to the original Purchaser not to fail as a result of defects in design, materials, or workmanship during normal use. The four year period begins on the date of installation, or the date which is six months after the date of manufacture, whichever comes first. To determine when the Product was manufactured, check the serial number. The first four numbers represent the year and month of manufacture. There are exceptions to the four year length of this Limited Warranty, which may reduce or extend the period of warranty, as described below.

### EXCEPTIONS TO FOUR YEAR TERM:

The following parts have more than, or less than, a four year warranty period. Irrespective of when the period ends, the period starts at the time described in the paragraph above.

Exception #1, Lifetime Warranty. The Product’s stainless steel rod grates, brass burner heads (sealed burner), and welded steel frame have a limited warranty, to the original Purchaser, which does not expire.

Exception #2, Two Years, Plus an Additional Two Years Parts Only. The Product’s compressor and evaporator have a limited warranty, to the original Purchaser, of two years. As well, for an additional two years thereafter, these parts bear an additional limited warranty, to the original Purchaser, for replacement of the defective part only.

Exception #3, Two Years. The Product’s electrical components, convection fan motor, switches, capacitors, wiring, and stainless steel char broiler radiants, have a limited warranty, to the original Purchaser, of two years.

Exception #4, Six Months. The Product’s cast iron grate, radiant, and briquettes have a limited warranty, to the original Purchaser, of six months.

Exception #5, Three Months. The Product’s glass parts (including light bulbs), painted items, door gaskets, and decorative items, have a limited warranty, to the original Purchaser, of three months.

### WHAT THE LIMITED WARRANTY COVERS:

If the limited warranty applies, HCC agrees to repair or replace, at HCC’s option, the above warranted parts or items that fail due to defects in design, materials or workmanship during the warranted period. The limited warranty is only for the original Purchaser, and only applies in instances of normal use.

### WHAT THE LIMITED WARRANTY DOES NOT COVER:

By way of example and not limitation, this Limited Warranty does not cover and HCC will not be responsible for and will not pay for: color variations in color finishes, failure or damage from abuse, accident, fire, natural disaster, loss of electrical power or gas supply to the Product, alteration, outdoor use, improper installation, improper operation, improper repair or replacement, service by someone other than an authorized agent or representative of the Hestan Commercial Service Network, exposing the Product to a corrosive atmosphere containing chlorine, fluorine, or any other damaging chemicals or not providing normal care and maintenance.

### EXERCISING THE LIMITED WARRANTY:

PURCHASER’S SOLE REMEDY UNDER THIS LIMITED WARRANTY IS REPAIR OR REPLACEMENT OF THE DEFECTIVE PART. Purchaser is responsible for making the Product reasonably accessible for service or for paying the cost to make the Product reasonably accessible for service. Service is to be provided during normal business hours of the authorized Hestan Commercial Service Provider. The difference between regular rates and overtime or premium rates will be paid by the Purchaser. Purchaser is to pay the costs related to travel beyond 50 miles (one way) from the nearest authorized Hestan Commercial Service Provider.

### IMPORTANT DISCLAIMERS:

EXCEPT AS EXPRESSLY SET FORTH IN THIS LIMITED WARRANTY, THE PRODUCT IS PROVIDED TO PURCHASER “AS IS”. THIS LIMITED WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR OTHER STATUTORY WARRANTIES, WHICH WARRANTIES ARE EXPRESSLY DISCLAIMED HEREBY. ANY IMPLIED WARRANTIES WHICH MAY NOT BE DISCLAIMABLE BY STATUTE WILL LAST ONLY FOR THE TERM OF THE EXPRESS LIMITED WARRANTY CONTAINED HEREIN. IN NO EVENT WILL THIS LIMITED WARRANTY BE CONSTRUED TO COVER, NOR WILL HCC BE LIABLE TO PURCHASER OR ANY OTHER PERSON FOR, ANY CONSEQUENTIAL, INCIDENTAL, ECONOMIC, DIRECT, INDIRECT, GENERAL OR SPECIAL DAMAGES, WHICH ARE HEREBY EXPRESSLY DISCLAIMED.

Some states do not allow the exclusion or limitation of incidental or consequential damages or do not allow limitations on how long an implied warranty or condition lasts, so the above limitations or exclusions may not apply to you.

Any questions about this Limited Warranty may be directed to Hestan Commercial Products at (888) 905-7463.

# HESTAN READY-MADE PROGRAM

**How to order:**

- Email [hccorders@hestan.com](mailto:hccorders@hestan.com).
- Please clearly mark "Hestan Ready-Made Program" on purchase order(s).

**Ready-Made Standards:**

- Charbroiler with cast-iron grates and stainless steel radiant only.
- Stainless steel exterior finish only.\*
- 9" tall low flue riser.\*
- 4.5" plate shelf.\*
- Intended for orders of less than 4 pieces of product only.\*

**Please specify:**

- Natural gas (NG) or liquid propane (LP).
- Legs or casters.
- Inter-plumb kit (AHIP) available for range-mount salamander and cheesemelter.
- All rangetops offered are also available as countertop models - simply add 4" countertop lag kit (AHCL).

CONTACT US: [www.hestancommercial.com](http://www.hestancommercial.com)

## PLANCHA

- Heavy duty 3/4" thick steel Plancha plate with Blanchard grind finish.
- High performance lift-off cast iron burner at 30,000 Btu/hour for maximum plate temperature.
- Stainless steel 4-sided grease trough with diverter system for easy cleaning.
- Under-plate flue system for island installation.
- Each burner manually controlled.
- Available from 18" to 36" wide configurations.

Model Number	Description	List Price	Rate (Btu/hr)	Weight (lb)
HPG18	18" width Plancha Griddle	\$8,970	30,000	200
HPG24	24" width Plancha Griddle	\$10,990	30,000	280
HPG30	30" width Plancha Griddle	\$12,910	30,000	320
HPG36	36" width Plancha Griddle	\$15,360	60,000	360

### Options and Accessories

AHPPS18	18" width Standard Plancha Plate	Standard
AHPPS24	24" width Standard Plancha Plate	Standard
AHPPS30	30" width Standard Plancha Plate	Standard
AHPPS36	36" width Standard Plancha Plate	Standard

AHPPM36	36" width Mirrored Plancha Plate	\$1,900

## WORK TOPS

- Heavy gauge welded body construction
- Sound insulated work top surface
- Available from 12" to 48" wide configurations
- Stainless steel front, sides, bottom, and 4.5" plate shelf
- 9" tall Low Riser

Model Number	Description	List Price	Weight (lb)
HWT12	12" width Work Top	\$2,190	80
HWT18	18" width Work Top	\$2,330	100
HWT24	24" width Work Top	\$2,640	150
HWT30	30" width Work Top	\$2,820	165
HWT36	36" width Work Top	\$2,960	180
HWT48	48" width Work Top	\$3,240	200

## OVENS

- High performance stainless steel tubular U-burner at 40,000 Btu/hour.
- Counter-weight oven door hinge system with hydraulic soft opening capability.
- 28" W x 27" D x 14.5" H heavy duty stainless steel oven cavity interior with flame spreader for even heat distribution throughout.
- Direct vent flue with standard heat exchanger system for maximum heat transfer from gas burner

Model Number	Description	List Price	Rate (Btu/hr)	Weight (lb)
HSO36	36" width Single Standard Oven Base	\$10,190	40,000	465
HCO36	36" width Single Convection Oven Base	\$15,650	40,000	485
HSOP36	36" width Single Standard Oven Base with Standing Pilot	\$9,090	40,000	465
HCOP36	36" width Single Convection Oven Base with Standing Pilot	\$14,220	40,000	485

### Options and Accessories

AHOR36	36" width Oven Rack	\$280
--------	---------------------	-------

## PASS-THROUGH OVENS

- Access from both sides of oven - ideal for single depth cooking suite applications
- High performance stainless steel tubular U-burner at 32,000 Btu/hour.
- Dual counter-weight oven door hinge system with soft opening capability.
- 27" W x 34" D x 14.5" H heavy duty stainless steel oven cavity interior with flame spreader for even heat distribution throughout.
- Low-profile high efficiency convection motor for pass-

Model Number	Description	List Price	Rate (Btu/hr)	Weight (lb)
HPSOP36	36" width Single Standard Pass-Through Oven Base with Standing Pilot	\$16,540	32,000	600
HPCOP36	36" width Single Convection Pass-Through Oven Base with Standing Pilot	\$21,190	32,000	600

## UPRIGHT CONVECTION OVENS

- High performance dual stainless steel tubular burners at 35,000 Btu/hour.
- Heavy duty oven door design with 3 brass bushing per door hinge for optimized door alignment
- Heavy duty 2-speed low-profile high efficiency front serviceable convection motor
- 29" W x 22.5" D x 22.5" H heavy duty oven cavity - porcelain interior for ease of cleaning
- Electric thermostat adjusting oven temperature from 150F to 500F

Model Number	Description	List Price	Rate (Btu/hr)	Weight (lb)
HUCOR	Single Deck Upright Convection Oven w/ RH Door Window	\$17,650	70,000	520
HUCOL	Single Deck Upright Convection Oven w/ LH Door Window	\$17,650	70,000	520
HUCOD	Single Deck Upright Convection Oven w/ Double Door Window	\$17,970	70,000	520
HUCOS	Single Deck Upright Convection Oven with No Window	\$17,010	70,000	520
HUCOR2	Double Deck Upright Convection Oven w/ RH Door Window	\$32,080	140,000	1005
HUCOL2	Double Deck Upright Convection Oven w/ LH Door Window	\$32,080	140,000	1005
HUCOD2	Double Deck Upright Convection Oven with Double Door Window	\$33,370	140,000	1005
HUCOS2	Double Deck Upright Convection Oven with No Window	\$31,120	140,000	1005

### Options and Accessories

AHUL4	4 Upright Double Convection Ovens 6" Legs Kit	No Charge
AHUC4	4 Upright Double Convection Ovens 6" Casters Kit	\$850
HUCOEL	Extended Legs, Upright Single Convection Oven	No Charge
AHUOR	Upright Convection Oven Rack	\$350
AHUDV	Upright Convection Oven Direct Vent Connection Kit	\$470

## CABINET BASES

- Heavy duty modular cabinet bases available in various configurations: open (CB), with single or double doors (CD, CDL, CDR), and with drawer (CR).
- Available from 12" to 48" wide configurations
- Heavy gauge welded body construction

Model Number	Description	List Price	Weight (lb)
HCB12	12" width Cabinet Base	\$2,550	50
HCB18	18" width Cabinet Base	\$2,960	80
HCB24	24" width Cabinet Base	\$3,390	100

## COUNTER HEIGHT UNITS

- Heavy duty 2.5" diameter stainless steel tubular modular legs, with or without bottom shelf.
- Each product on 28" tall modular legs.
- Heavy gauge welded body construction.
- Available from 12" to 72" wide configurations.
- Modular design to allow maximum flexibility and endless possible configurations.

Model Number	Description	List Price	Weight (lb)
HEL12	12" width Extended Legs	\$1,510	30

HEL60	60" width Extended Legs	\$5,020	200
HEL72	72" width Extended Legs	\$5,820	230

## REFRIGERATED & FREEZER BASES

- Heavy duty refrigerated bases with drawer configurations to accommodate 6" x 12" x 20" hotel pans.
- Modular design to be attached to Hestan Commercial rangetops.
- LED temperature display.
- Heavy duty drawer slides system with full extension. Each can withstand 275 lb
- Heavy duty top insulation for maximum heat protection.
- Removable drawer slides for cleaning or simple replacement.

## WINE COLUMNS

- Dual Zone - 36 bottles per zone, for total of 72 bottles.
- Heavy duty and elegant stainless steel interior liner.
- Multi-LED light array provides brilliant illumination.
- Robust and unique hinge system for smooth door opening and self-closing. Hinge opens within itself, so side cabinetry is not compromised.
- EvenFlow Air Circulating Technology(TM) consists of independent ventilation for each compartment, providing even distribution of cold air flow and allows for uniform and precise temperature control ensuring better food preservation.
- Triple-paned, bronzed glass door guarantees maximum protection from harmful UV light rays and helps maintain consistent interior preservation temperature.

Model Number	Description	List Price	Weight (lb)

## CHEESEMELTERS

Model Number	Description	List Price	Rate (Btu/hr)	Weight (lb)
<b>Options and Accessories</b>				
AHCR24	24" width Cheesemelter Rack	\$200		
AHCR30	30" width Cheesemelter Rack	\$220		
AHCR36	36" width Cheesemelter Rack	\$240		
AHCR48	48" width Cheesemelter Rack	\$380		
AHCR60	60" width Cheesemelter Rack	\$460		
AHCR72	72" width Cheesemelter Rack	\$610		
AHIP	Inter-Plumb Kit	No Charge		
AHSP	Side Shields - set of 2	\$690		

## SALAMANDERS

- Unique wide-open chassis design for maximum visibility from all directions.
- Heavy duty gas-powered infrared burner, up to 30,000 Btu/hour.
- Heavy duty Inconel burner screens with optimum combustion efficiency, durability, and flame stability.
- Elevation rack mechanism for smooth 5" vertical operation, infinite height adjustment, and maximum heat control.
- Full extension concealed horizontal glide system
- Range Mount models - riser to be ordered separately

Model Number	Description	List Price	Rate (Btu/hr)	Weight (lb)
HSMR24	24" width Range Mount Salamander	\$9,080	20,000	200
HSMW24	24" width Wall Mount Salamander	\$9,030	20,000	170

HSMW36	36" width Wall Mount Salamander	\$9,470	30,000	250
HSMC36	36" width Counter Salamander	\$9,710	30,000	275

<b>Options and Accessories</b>				
AHIP	Inter-Plumb Kit	No Charge		
AHSP	Side Shields - set of 2	\$690		

## RISERS & SHELVES

- Heavy duty welded body construction.
- Stainless steel front and sides.
- Lift-off flue cap for ease of cleaning and service.
- Available in 4 different heights: Island Trim (IT), Low Riser (LR), Mid Riser (MR), and Tall Riser (TR).
- 22" vertical clearance from closest shelf to cooking surface.
- Mid Risers and Tall Riser are available with shelves: solid or tubular.
- Wall mount models (W) available.

Model Number	Description	List Price	Weight (lb)
<b>TALL RISER</b>			
HTR12	12" width Tall Riser	\$1,060	45
HTR18	18" width Tall Riser	\$1,250	55
