HESTAN

Marquise Accented™ handle with Indicator

STANDARD FEATURES

- Features a digital control with four preset temperature options (ranging from 100 degrees to 2oo degrees) and five time intervals, for flexibility and ease of use.

- Exterior power indicator light helps you visibly see when the power is on.

- Quiet convection fan for perfectly even temperature control.

- Halogen lit interior provides better visibility to items.

- Stainless steel interior for bright finish, longevity and easy clean up.

- Automatic shut-down with chime notification when the time period has completed.

- Full extension soft-close drawer mechanism provides smooth, effortless operation and is removable for cleaning. Load capacity is 80 lbs. [36kg]

- 2.3 Cu. Ft. of total interior space.

- Textured mat (removable for cleaning) on base of interior warming drawer limits items from shifting when opening and closing the drawer while also protecting interior items from scratching.

- Marquise Accented™ drawer handle with commercial grade end caps.

- Slow cooking function is ideal for cooking meats until tender.

- Proofing function with moisture control vents allows for perfect rise of bread dough.

- Perfect for defrosting frozen items.
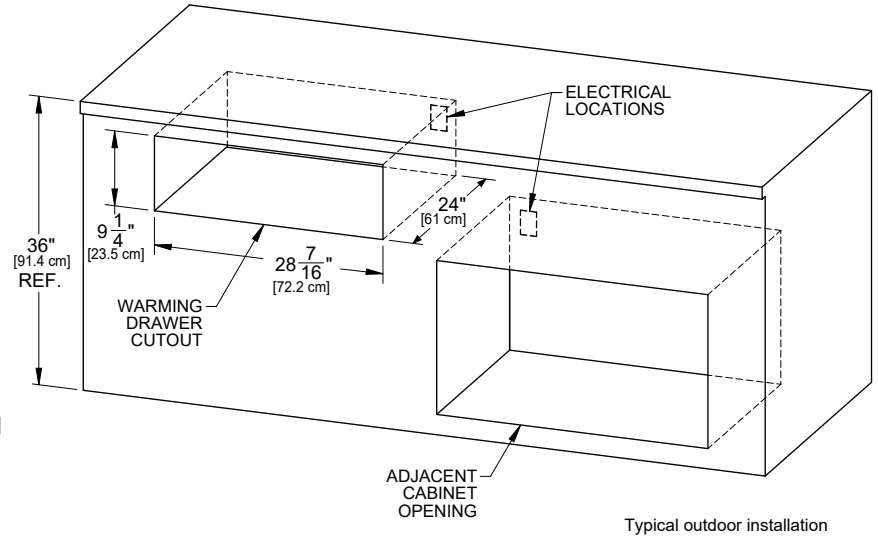

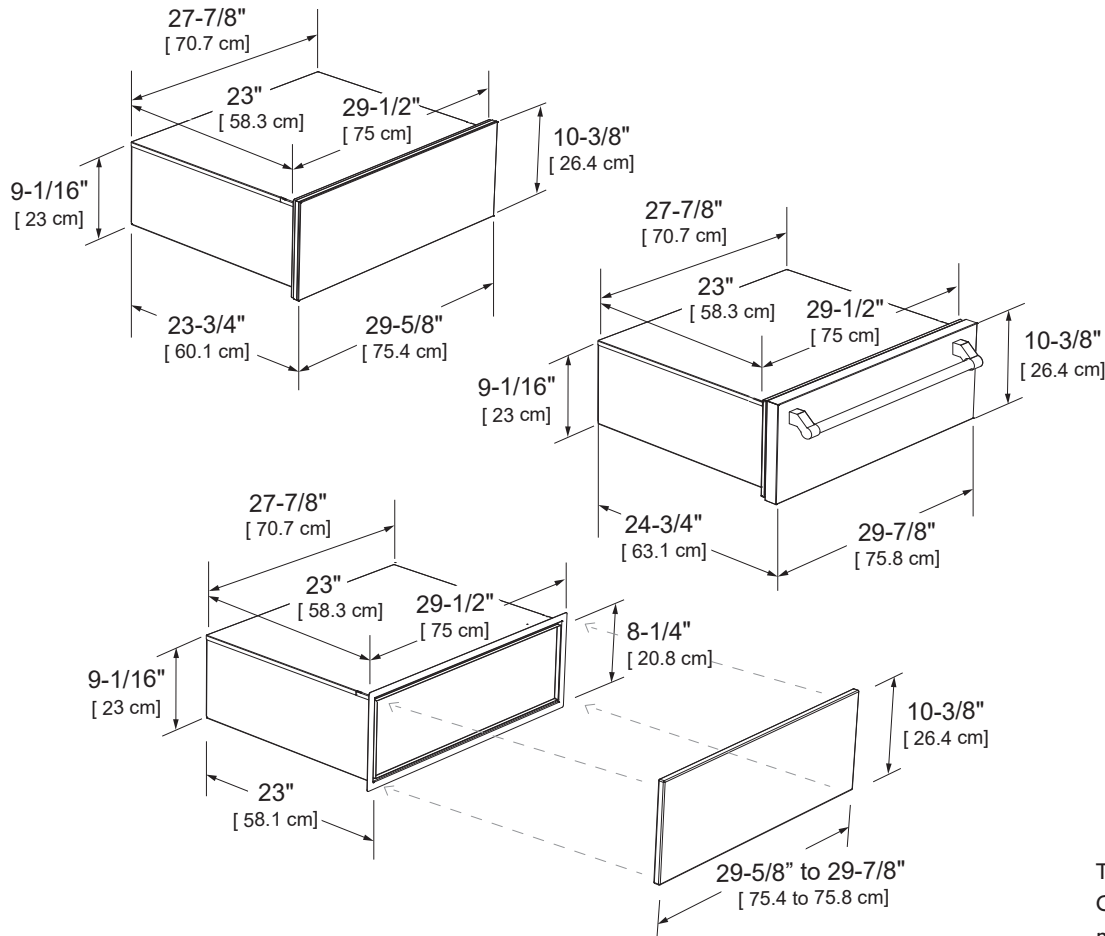

- Suitable for outdoor and indoor installations.
