\*Not actual size.

These tasty, chewable tablets are available in an apple-molasses flavor that may make administering compounded preparations easier.

“ I couldn't be happier with the Misoprostol Gourmed tablets from Wedgewood. The dosage is just right for most of my sport horse patients and administration is so easy! **Many horses eat them right out of my hand.** ”

- Richard D. Mitchell, DVM, MRCVS, DACVSMR from Fairfield Equine
