

A circular collage of natural and medicinal elements. In the top left, a glass bowl contains various pills and capsules, including a large white oval pill, several yellow capsules, and a dark capsule. To the right, there are fresh green herbs and a yellow flower. In the bottom left, a wooden surface holds a glass vial with a brown powder, a yellow capsule, and a glass vial with a white powder. In the bottom right, there are clusters of white and purple flowers. The background is a dark blue textured surface.

Vitamins & Supplements

Protective Packaging and
Containment Solutions

- | Reduce Product Damages, Shipping Costs & Carbon Footprint
- | Enhance Customer Experience

The right partner to help you grow

The vitamins and supplements industry is evolving every day. Consumers want their product delivered straight to their door, which is creating a whole new set of shipping requirements and fulfillment strategies for businesses.

Pregis' portfolio of containment and in-the-box protection can help companies master the parcel network. We can ensure that your products quickly and safely arrive on the doorstep of consumers – all while supporting the environment and creating a memorable unboxing experience.

74%

of consumers would **pay more** for products with **sustainable packaging**.*

70%

of consumers say that a product's premium **packaging** **"greatly influences"** their decision to buy.*

Packaging remedies to support a healthy bottomline

Pregis offers an array of paper and poly solutions to provide the right prescription of cushioning and containment to **protect and enhance the value** of your diverse product lines. We also design our packaging with mother nature in mind, offering materials with **recycled content and recyclability** to support your sustainability goals – and your customers.

Cohesive mailers

Value Added Services

We Innovate

We know ISTA standards inside and out. Pregis leverages its Innovation Headquarters (IQ) to design and test a solution tailored to your pain points.

We Integrate

Every business is different. That's why we work tirelessly to provide you with a protective packaging solution that seamlessly fits into a fulfillment operation and improves workflows.

We Automate

Work smarter, not harder. Throughput and labor optimization are key. We offer technology that re-allocates vital talent to other key areas of fulfillment. That leads to cost savings, throughput efficiencies, and precision packing.

We Cultivate

Businesses are feeling increased pressure to support Mother Nature. We can help you find the most sustainable, effective solution.

Products worth protecting deserve Pregis

We are a leading manufacturer of **innovative packaging solutions** and **protective products**.

We solve our customer's toughest business challenges with packaging so they can create customers for life. We do this by delivering **creative solutions to packaging challenges** and leveraging a material neutral portfolio.
