## Sleevt® foam mesh sleeves

Sleevt® foam mesh sleeves hug products tightly and provide the cushioning benefits of Astro-Foam® polyethylene sheet foam.

Sleevt packing sleeves fit snugly around odd shapes to lightly cushion and protect delicate surfaces.

- Delivers the high cushioning properties of 1/8" polyethylene Astro-Foam sheet foam
- Fruits and vegetables resist bruising when individually packed in cushioning sleeves
- The expandable diamond-mesh vents allow air circulation to protect against spoilage and encourage perfect ripening
- SleeveIt foam sleeves deliver superior surface abrasion protection in a compact design that minimizes dimensional weight
- The 1/2" collar creates a snug base. SleeveIt sleeves are available in lengths of 3 1/4", 4 1/4", 6" and 8 1/2"
- Our specialty foam products are made from Low-Density Polyethylene (LDPE) and can be recycled through LDPE recycling systems. Check locally for availability and acceptance of LDPE materials.

Item#	Collar length	Approx. width	Diameter range	Sleeves per roll
66133U	3 1/4"	2 3/4"	2 1/2" to 3 1/2"	750
43199U	4 1/4"	2 3/4"	2 1/2" to 4 1/2"	500
65090U	6"	2 3/4"	2 1/2" to 5"	350
43116U	8 1/2"	2 3/4"	2 1/2" to 5 1/2"	250
