

PAPER Consumables

PACKMATE™ PRO

- 100% recycled
- 100% recyclable
- 100% biodegradable
- Multi purpose

The **Packmate™ Pro** paper range offers a wide range of applications.

They allow users to protect all kind of products to ensure safe transit.

Ranging from 52 to 90 grams, in 1-ply or 2-ply and available in white and/or brown.

The Easypack range is the ultimate sustainable paper solution for protective packaging, offering maximum efficiency and reliability, whilst allowing users to achieve their sustainability targets.

System

The **Packmate™ Pro** is a great void-fill packaging system. The machine offers a great flexibility, efficiency and performance. The slimline design fits easily into any existing packing operation, offering an excellent packaging technology for on-demand paper packing.

The **Packmate™ Pro** effortlessly produces lightweight and ultra-strong paper cushions that can be easily moulded around any product, offering maximum packing efficiency.
