

# Pregis® Paper Packaging Solutions

# The Pregis Difference

## Sustainability

Pregis EasyPack® paper offerings include Forest Stewardship Council® (FSC®) options. The FSC system certifies that paper has been harvested in a socially and environmentally responsible manner.

## Reliability

Portfolio of high-quality reliable equipment, requiring little maintenance. Easypack systems never jam maximizing uptime.

## Versatility

Wide range of paper options and on-demand systems with flexible design features to fit any packing environment or application.

## Simplicity

### Load and go in 30 seconds or less!

The quickest and easiest machines on the market to load and operate. Ergonomic roll loading and intuitive controls increase worker productivity and safety.

## World Class Support and Service

Packaging should excite customers, motivate prospects, reduce shipping and fulfillment costs, and (of course) protect your products. To ensure you're getting the most out of your packaging, Pregis offers unrivaled consultative and technical services and industry-leading training support.

### Consultative Services

- Package design and testing center ensures packaging is FedEx, UPS or Amazon ready
- Packaging optimized for any network – SFS, freight, ground, air, international
- Specialized sales teams understand the unique challenges of your industry
- Certified packaging engineers collaborate to tackle customers' business challenges and sustainability goals

### Technical Service

- Proactively monitor packaging systems and schedule routine maintenance
- Highly skilled, local field technicians available for immediate needs
- 24/7 dedicated technical support hotline

### Training Support

- Standard or custom guides, placards and videos
- On-site employee training and educational seminars

We're not just in the packaging business,  
**WE'RE IN THE "WOW" BUSINESS.**

# On-Demand Paper Systems

Pregis PackMaster and Strata systems dispense paper made from 100% recycled content, including Forest Stewardship Council® (FSC)-certified paper options.

## Cushioning System

### PACKMASTER™ PRO

**Pregis EasyPack® PackMaster™ Pro advanced cushioning system** produces lightweight, durable paper cushions and coils. Easily molded and wrapped around products, PackMaster cushioning provides maximum protection for delicate items to heavy industrial goods.

- Load and go in under 30 seconds!
- Single and multi-ply paper options
- Ergonomic lightweight paper rolls
- Internal-cutting mechanism with safety lockouts
- Program 3 pre-set lengths/quantities
- Automatic, semi-automatic or foot pedal operation
- Horizontal or custom configuration
- Compatible with Maxwell® Intelligent Interface for greater system controls

## Light Cushioning Systems

### STRATA

**Pregis EasyPack® Strata** is a compact, high-speed system that produces structured paper pads for enhanced void fill and light cushioning applications, with the capacity to support full cushioning. With speeds up to 60 inches per second, Strata boosts productivity while meeting curbside recyclability expectations.

- Dispenses up to 60 inches per second for high throughput
- Structured pads fill space efficiently, reducing material use
- Tailor protection by selecting basis weight and single or multi-ply paper

### GEOTERRA®

**Pregis EasyPack® GeoTerra® paper-based wrappable packaging** provides light cushioning and interleaving protection. It is ideal for brands seeking to safeguard products with a curbside recyclable solution. Available in manual and auto dispensers to fit various packaging needs.

- Convenient curbside recyclability
- Nests together locking products in place without tape
- Manual and automatic dispensers to meet packaging needs
- Compact dispensers maximize workspace efficiency
- Available in white

Pregis EasyPack void-fill systems dispense paper made from 100% recycled content, including Forest Stewardship Council® (FSC)-certified paper options.

## Void-Fill Systems

### QUANTUM™ SERIES

**Pregis EasyPack® Quantum™ Series paper void-fill systems** combine exceptional safety, reliability and enhanced ergonomics to increase productivity. Bladeless-tear technology ensures operator safety, while the patented floating head virtually eliminates jams for smooth operation.

- Virtually jam-free, maximizing uptime
- Intuitive interface simplifies employee training
- Load and go in under 30 seconds!
- No blades or exposed parts keep packers safe
- Programmable pre-sets dispense paper at specified length
- Telescoping head for ergonomics and productivity

### BANTAM™

**The Pregis EasyPack® Bantam™ void-fill system** offers simplicity and efficiency with a streamlined design and precise paper-cutting mechanism to optimize the packaging process. Ideal for low- to mid-volume workstations, it can seamlessly scale for high-demand fulfillment environments.

- Simple, user-friendly design ensures minimal training
- Compact footprint conserves valuable workspace
- Adjustable head allows for quick reorientation and effortless loading

### TABLEMATE

**Pregis EasyPack® TableMate** manual dispenser easily integrates into packaging operations. Mount the compact TableMate onto your pack station table or shelf for quick and hassle-free void-fill protection.

### GEOPACK™

**Pregis EasyPack® GeoPack™** is a portable, recyclable paper packaging solution. The GeoPack box dispenses paper made from 100% recycled material into ready-to-use pre-crumpled packing paper for void fill and protection.

# Pregis Paper Options

## PAPER FOR PACKMASTER™ PRO

Paper weight	Width	Length	Style	Ply	Recycled content	Colors
30 lb	29.5"	1400'	Roll	Single, Two-Ply	Yes	Kraft
45 lb	29.5"	1340'	Fanfold	Single Ply	Yes	Kraft
69 lb	29.5"	725'	Roll	Single Ply	Yes	Kraft

## PAPER FOR STRATA

Paper weight	Width	Length	Style	Ply	Recycled content	Colors
30 lb	14.75"	1690'	Fanfold	Single, Two-Ply	Yes	Kraft
45 lb	14.75"	1340'	Fanfold	Single, Two-Ply	Yes	Kraft
55 lb	14.75"	990'	Fanfold	Single, Two-Ply	Yes	Kraft

## PAPER FOR GEOTERRA®

Paper weight	Width	Length	Style	Ply	Recycled content	Colors
50 lb	15"	950'	Roll	Single Ply	No	Kraft or White
50 lb	15"	1350'	Roll	Single Ply	No	Kraft

## PAPER FOR QUANTUM™ SERIES

Paper weight	Width	Length	Style	Ply	Recycled content	Colors
30 lb	14.75" or 29.5"	1690'	Fanfold	Single Ply	Yes	Kraft or Inspyre™

### Pregis Inspyre™ Custom Paper Packaging

Pregis Inspyre™ paper void-fill solution is a brand partner of 1% for the Planet, a non-profit that certifies corporate donations to sustainable charities. Through the Inspyre program, a portion of all Inspyre sales go to the Uzima Clean Water Mission, a charity that provides life-saving water filters to combat water insecurity in vulnerable communities worldwide.

### Ready-to-Use Paper

Commonly used in industrial manufacturing, shipping and packaging environments. Our ready-to-use range of recycled kraft, virgin, newsprint, bogus and tissue paper are available in a variety of paper grades and sizes.
