EZ Bubble-Out® bags on a roll

Pregis EZ Bubble-Out® bags on a roll dispense cushioned bags at the point-of-use for increased productivity – and increased savings. Simply tear bag from roll, insert product and seal to contain and protect.

- Bags on a perforated roll make packaging quicker and easier than using carton-packed, loose bags
- Self-seal adhesive closure reduces labor and cost by eliminating wrapping and taping
- 3/16" Astro-Bubble® air cushioning provides superior cushioning
- Transparent air cushioning allows easy product identification
- Lightweight so easily placed at packaging work station
