

Pregis Air-Kraft®

Air-Cushioned/Kraft Mailer

Pregis Air-Kraft® mailers feature an Astro-Cell® air cushioning liner that adds the right amount of cushioning and surface protection when mailing items susceptible to impact and abrasion during transit.

Simply open, insert and seal to protect.

Pregis Air-Kraft mailers have a variety of characteristics that are designed to solve a wide array of needs.

- Our uniform Astro-Cell air-cushioned lining out-performs other air cushioned shippers in puncture testing
- Low-friction air-cushioned, poly lining allows user to quickly insert and remove product
- Reliable seam strength and puncture resistance
- Easy-to-use with a secure closure release liner and convenient self-seal paper closure
- Sized to optimize couriers' standard rates (UPS, FedEx, DHL, etc.), Courier Friendly™ cases reduce outbound shipping costs, increases warehouse efficiency

Availability:

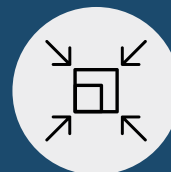

- Available in industry standard sizes
