

Pregis

EasyPack® Bantam™

Paper Void Fill

Engineered for simplicity and efficiency, the Pregis EasyPack® Bantam™ offers a streamlined design and precise paper-cutting to optimize your void-fill packing. Ideal for low- to mid-volume operations, it can seamlessly scale to meet the needs of more demanding fulfillment environments.

Sustainable

- Curbside recyclable paper solution
- 100% recycled paper
- Offerings include FSC® recycled paper

Packer-Centric

- Fast, clean paper separation boosts packing speed
- Adjustable head for easy, quick loading and reorientation
- Streamlined design requires minimal training
- Small footprint optimizes valuable workspace

Versatile

- Stand and table mounting options
- Ideal for low- to mid-volume needs, with the ability to scale

Paper options

Item #	Bundle size	Formulations	Applications
