

Pregis Astro-Bubble® Renew™

Recycled Content Bubble

Pregis Astro-Bubble® Renew™ delivers durable air cushioning for surface protection, packing fragile items, and void fill, while containing a minimum of 30% post-industrial recycled content.

Engineered for strength and reliability, it provides superior cushioning and optimal surface protection without sacrificing performance.

Key Features:

- Contains minimum 30% post-industrial recycled content
- Designated store drop-off recyclable
- Light green transparent color for easy product identification
- Available in rolls of extra small (1/8"), small (3/16"), medium (5/16"), and large (1/2") bubble, in a range of widths and lengths

Applications:

- Cushioning | Surface Protection | Interleaving | Void Fill

Industries Served:

- Aerospace, Agriculture, Automotive, Building Materials, Electronics, Food, Fulfillment, Furniture, Glassware, Industrial, Jewelry, Medical, Military, Moving & Storage, Pharmaceuticals, Publishing, Retail, Transportation

Reliable Protection

Cost-Effective

Recycled Content

Pregis Astro-Bubble Renew is designated as store drop-off recyclable by How2Recycle®. Recycle it at a participating retailer.
